### EDITORIAL BOARDS

- 1990-1994 Member, Editorial Board of the journal, *Physical Therapy Practice*

### MAJOR RESEARCH INTERESTS

Effectiveness of Strengthening Programs in Older Persons; Measurement of Muscle Performance; Functional Outcomes of Physical Therapy Treatment; Dissemination of Evidence-Based Exercise Programs Training for Community-Based Caregivers (local, national and international)

### TEACHING EXPERIENCE

- 1985-2009 MGH Institute Courses:
- Develop and Teach *Thesis Seminar* (2008)
  - Develop and Co-teach *Concepts of Neuromuscular Dysfunction* (2006-2008)
  - Co-Teach *Advanced Seminar in Physical therapy* (1995 - 2006)
  - Develop and Teach *Concepts of Orthopaedic Physical Therapy*
  - Coordinate and teach Basic *Orthopaedic Radiological Assessment* (until 2000)
  - Develop, Design and Teach *Diagnostic Imaging* for both on-site and distance sections (beginning 2001)
  - Teach *Evidenced-based Practice* (beginning 2004)
  - Lecturer in *Foundations of Clinical Assessment in Physical Therapy*

- Lecturer in *Clinical Decision Making* (one-credit unit on Clinical Decision Analysis)  
 Thesis Advisor Student Advisor, Independent Study Advisor, Academic Advisor
- 1985-1997 Lecturer in *Exercise Pathophysiology* (musculoskeletal component)  
 Lecturer in *Interdisciplinary Approaches to Pain Management*
- 1988-1989 Coordinate and co-teach *Sports Injuries II: Examination and Management*
- 1982-1985 Simmons College Courses:  
 Developed and Taught *Scientific Inquiry: An Introduction to Clinical Research*  
 Lab Instructor in *Therapeutic Exercise*  
 Lab Instructor in *Orthotics and Prosthetics*

- 1992 "Clinical Decision Making-Utilizing a Case Study Approach". Presenter/Discussant at one day workshop at APTA National Conference, Denver, CO, June 18, 1992.
- 1992 "Radiology for the Orthopaedic Physical Therapist". Invited speaker at a one day course, Mass Chapter, APTA, Danvers, MA, October 25, 1992.
- 1994 "Diagnostic Imaging Studies: Physical Therapist's Perspective". Invited speaker for Sports Medicine '94, Back Pain Society, Danvers, MA, March 5, 1994.
- 1995 Speaker and Trainer in data collection methods (functional performance tests and muscle testing), Merck Investigators Meetings: Frail Elderly Project, Dallas, Texas, February 13-15, 1995; and Washington D.C., November 1995.
- 1995 "Clinical Case Conference - Treatment of Upper Quarter Dysfunction: Current Concepts", Moderator, World Confederation for Physical Therapy, Washington, DC, June 26, 1995.
- 1995 "Osteoporosis: Recent Advances in Evaluation and Management." Shriners Burns Institute, Boston, MA, September 20, 1995.
- 1995 "Strong for Life" Research Presentation, In-Service Education, MGH PT Services, November 2, 1995.
- 1995 Speaker, MGH Department of Orthopaedic Surgery, Grand Rounds, November 30, 1995.
- 1996 "Introduction to Muscle Physiology and Strength Measurements; How These Change with Aging". Invited speaker for Muscle Dynamics Workshop, Merck Pharmaceuticals, Rahway NJ, March 12, 1996.
- 1996 "Radiology for the Rehabilitation Professional". Invited Speaker, Rehabilitation Services, St. Vincent Hospital, Worcester, MA, May 9, 1996.
- 1996 "Improving Strength and Balance in the Frail Elderly". Invited speaker at the Third Annual Geriatric Rehabilitation Conference, Education Resources, Boston, MA, May 9, 1996.
- 1997 "Neuromuscular Adaptations to Strength Training." Invited Speaker at Exercise in Rehabilitation: From Biological Principles to Clinical Practice. Harvard Medical School, Continuing Education Course, Boston, MA, April 11-12, 1997.
- 1998 "Enhancing Late Life Function: The Strong for Life Program." Invited Speaker at Roybal Center Symposium for Caregivers. Sergeant College of Health and Rehabilitation, Sciences, Boston, MA. March, 1998
- 1998 "Clinical Outcomes Measures", Invited Speaker, Cape Cod District, Massachusetts. American Physical Therapy Association, April, 1998
- 1998 "Strong for Life: Findings From a Roybal Center Intervention", Invited Ziegler Lectureship, Department of Physical Therapy, University of Vermont, Burlington, Vermont, April 23, 1998.

- 1998 Diagnostic Imaging and Functional Outcome Assessment: Crucial Complements to Quality are in Patients with Hip Dysfunction. Invited Speaker, American Physical Therapy Association Annual Conference, Orlando, Florida, June, 1998.
- 1999 Series of in-service educational sessions on Outcomes Assessment in Physical Therapy, Spaulding Rehabilitation Hospital, Spring 1999.
- 2000 Strength Changes in the Elderly, Invited Speaker Presentation, Spaulding Rehabilitation Hospital, April, 2000.
- 2000 Diagnostic Imaging, Invited Speaker Presentation, Department of Rehabilitation, Beth Israel Deaconess Hospital, July 19, 2000.
- 2001 Diagnostic Imaging , Invited Speaker Presentation, Department of Rehabilitation, Brigham and Women's Hospital, Fall, 2001.
- 2002 Physiological Adaptations to Strength Training in the Elderly, Department of Rehabilitation, Youville Hospital, May 9, 2002.
- 2002 Series of In-service Education Sessions at MGH Physical Therapy Services on Clinical Outcomes Assessment including presentations on research studies in patients following hip fracture and total knee replacement (March, June and July, 2002)
- 2003 Diagnostic Imaging: Applied Information for the Physical Therapist. Presentation and Consultation with faculty and clinicians, one day workshop, Graduate Programs in Physical Therapy, Richard Stockton University, Pomona, New Jersey, May 23, 2003
- 2003 Diagnostic Imaging: A Introduction for Physical Therapists. One day course at the Massachusetts Annual Meeting, APTA, Waltham, MA, October 2003.
- 2004 Teaching the Strong for Life Exercise Program: A refresher Course. A two hour "webinar" offered through Faith in Action, sponsored by Robert Wood Foundation , August 2, 2004.
- 2005 Dissemination of the Strong for Life Program for Older Adults MGH Institute Research Breakfast, Feb 11, 2005
- 2005 Evidence Based Fall Risk Reduction in the Elderly: Taking it Back to Your Community and Making it Work, sponsored by the New Hampshire Risk Reduction Task Force. Two day conference, Manchester, NH, March 31 and April 1, 2005.
- 2005 Dissemination of Strong for Life presented at AASHA, (American Association of Hospital Administrators), San Antonio, TX, Nov 2005.
- 2006 Evidence-Based Practice Faculty Workshop, MGH Institute of Health Professions, Presenter and chair of the organizing committee, January 13, 2006
- 2006 Reprise of the 2006 Pauline A. Cerasoli Lecture: *Interdisciplinary Education: What, Why and When*. MGH Institute Faculty Presentation, March 31, 2006 and Simmons College, Graduate School of Health Studies, September 27, 2006.
- 2006 Physical Activity and Health: The Strong for Life Program. Invited speaker, one day continuing education course: The Ingredients of Positive Mental Health and Aging; sponsored by the Massachusetts School of Professional Psychology, May 10, 2006.
- 2006 Exercise: Intervention and Strategies for Adherence. Invited speaker at the Evidence Based Falls Risk Reduction I the Elderly: Taking it Back to Your Community and Making It work, Phase II Conference, New Hampshire Falls Risk Reduction Task Force, Loon Mountain Club, June 2, 2006.
- 2007 Organizer and Moderator: Conference on the Polio Epidemic featuring Dr. Henry Mankin and Claire McCarthy. MGH Institute of Health Professions. October 20, 2006.
- 2007 *Interprofessional Collaborative Practice*. Invited Speaker, Simmons College, Graduate School of Health Studies, April 4, 2007.
- 2008 Maximizing Patient Adherence: *Lessons Learned from the Strong for Life Program*. First Annual Falls Prevention Symposium; Massachusetts Falls Prevention

- Coalition, May 15, 2008, Worcester, MA (and again, second Annual Falls Preventions Symposium, May 2009).
- 2011 *A tribute to Pauline A. Cerasoli*, Invited speaker, Section on Education, APTA Combined Sections Meeting, New Orleans, LA, Feb 11, 2011
- 2011 *The Center for Interprofessional Education and Innovation (CIPSI)...a long journey*, Invited Speaker on Interprofessional Education session, APTA Educational Leadership Conference, National Harbor, MD, Oct 3, 2011.
- 2013 *Looking back...some advice*, Key Note Speaker, White Coat Ceremony, Northeastern University, Bouve College of Health Sciences, Boston, MA, April 17, 2013
- 2013 *Creating a scalable model of delivering physical therapy in Haiti with Partners in Health (PIH)*, Health and Disability Research Institute Seminar, Boston University School of Public Health, Boston, MA, May 1, 2013

### ABSTRACTS/POSTER/PLATFORM PRESENTATIONS

- 1981 Zarins B, Harris BA, Watkins MP, Rowe CR: Rotational motion of the knee. American Academy of Sports Medicine, Lake Tahoe, NM (June).
- 1981 Watkins MP, Harris BA: Influence of age, sex and disability on isokinetic performance. APTA National Conference, Washington, DC (June).
- 1981 Harris BA: Isokinetic exercise testing of the knee - clinical implications. Research Presentation, Massachusetts Chapter Annual Meeting (October).
- 1983 Harris BA: Isokinetic quadriceps and hamstrings performance in runners. APTA National Conference, Kansas City, MO (June), and Massachusetts Chapter Annual Meeting, Danvers, MA (October).
- 1984 Potash RJ, Harris BA, Watkins MP: Integrated database for computerized isokinetic analysis. Poster presentation at APTA National Conference, Las Vegas, Nevada (June), and Massachusetts Chapter APTA Annual Meeting, Hyannis, MA (October).
- 1984 Harris BA, Kozlowski BA, Watts NT: Cost-Effectiveness of physical therapy for the painful, stiff shoulder. Allied Health Professionals Conference, National Arthritis Foundation, Amelia Island, FL (November).
- 1985 Harris BA, Jette AM, Campion E, Cleary P: Functional recovery following hip fracture. Poster presentation at APTA National Conference, New Orleans, Louisiana (June), and Massachusetts Chapter APTA Annual Meeting, Hyannis, MA (November).
- 1986 Pain workshop facilitator, Allied Health Professionals Arthritis Meeting, Boston, MA. Also presented Clinical Decision Analysis for the Treatment of the Painful, Stiff Shoulder at the Poster Session (November).
- 1986 Jette AM, Harris BA, Campion E, Cleary P: Functional recovery following hip fracture (12 months). Poster presentation at APTA National Conference, Chicago, IL (June), and Mass Chapter APTA Annual Meeting, Newport, RI (November).
- 1986 Harris BA, Kozlowski BA, Watts NT: Use of clinical decision analysis for the treatment of the painful, stiff shoulder. Poster presentation at APTA National Conference, Chicago, IL (June), and Massachusetts Chapter APTA Annual Meeting, Newport, RI (November).
- 1987 Dyrek D, Harris BA, Riegger C: A model of orthopaedic dysfunction: implications for examination and treatment. Poster presentation at APTA National Conference, San Antonio, TX (June) and Massachusetts Chapter APTA Annual Meeting, Hyannis, MA (November).

- 1988 Smith-Oricchio K, Harris BA: Interrater reliability of subtalar neutral, calcaneal inversion and eversion. Poster presentation at APTA National Conference, Las Vegas, NV and Massachusetts Chapter, APTA Annual Meeting, Hyannis, MA (November).
- 1988 Bastian S, Harris BA, Dyrek D: Performance of extremity joint mobilizations: consistency and accuracy. APTA National Conference, Las Vegas, NV (June) and Massachusetts Chapter, APTA Annual Meeting, Hyannis, MA (November).
- 1989 Perry SB, Jette AM, Harris BA, Roberge NJ: Correlation of hip motion and function after THR. Poster presentation at APTA National Conference, Nashville, TN (June) and Massachusetts Chapter APTA Annual Meeting, Falmouth, MA (November).
- 1989 Wasserman J, Hoskins T, Harris BA: Measures of quadriceps endurance: A comparative study. Poster presentation at APTA National Conference, Nashville, TN (June).
- 1990 Wittink H, Harris BA, Krebs D: Effect of hand dominance on upper extremity mobility. Poster presentation at APTA National Conference, Anaheim, CA, 1990.
- 1990 Clifford J, Harris BA: Comparison of continuous passive motion versus exercise in total knee replacement patients. Poster presentation at APTA National Conference, Anaheim, CA, 1990.
- 1991 Garner DC, Harris BA, Gebhardt MC, Suit HD: A functional evaluation of thigh soft tissue sarcoma patients treated with limb salvage surgery and irradiation. Sixth International Symposium on Limb Salvage, Montreal, Quebec, Canada (September).
- 1991 Ellis T, Harris BA, Knab M: Use of a model of orthopaedic dysfunction for clinical decision making: A case study. Physical Therapy 71: S2, 1991, APTA National Conference, Boston, MA (June) and Massachusetts Chapter, APTA Annual Meeting (November 1990).
- 1991 Steiner LA, Harris BA, and Krebs DE: Reliability of eccentric isokinetic measurements. Physical Therapy 71: S52, 1991, APTA National Conference, Boston, MA (June).
- 1991 Crealey KA, Ritchie PM, Harris BA, McCarthy CF: Measurement of head position in the sagittal plane. Physical Therapy 71: S92, 1991, APTA National Conference, Boston, MA (June) and Massachusetts Chapter, APTA Annual Meeting (November).
- 1991 Hodson LI, Johnson EB, Harris BA, Michel TH, Krebs D: Force-velocity relationship of quadriceps femoris in vivo. Physical Therapy 71: S30, 1991, APTA National Conference, Boston, MA (June).
- 1992 Michel TH, Fynan K, Harris BA, Heislein D, Jette A: A model for evaluating energy costs of a videotaped exercise program for seniors. Poster presentation at APTA Combined Sections Meeting at San Francisco, CA (February).
- 1994 Giorgetti MM, Harris BA, Jette AM, Levenson C, Heislein D: Reliability of clinical balance measures in the elderly. Platform presentation at Massachusetts Chapter, APTA Annual Meeting (October).
- 1995 Giorgetti M, Harris BA, Jette A, Levenson C, Heislein D: Reliability of clinical balance measures in the elderly. MGH Research Symposium, Boston, MA (January) and Platform Presentation at World Confederation for Physical Therapy, Washington, DC, June 1995.
- 1995 Fagerson T, Krebs DE, Harris BA, Mann RW: Examining shibboleths of hip rehabilitation using in vivo contact pressures from an instrumented hemiarthroplasty, MGH Research Symposium, Boston MA (January) and Platform Presentation at World Confederation for Physical Therapy, Washington, DC, June 1995.
- 1995 Jette A, Lachman M, Tennstedt S, Harris B, Howland J: Enhancing physical activity in disabled elders: cognitive behavioral interventions. Symposium: Translating Basic Behavioral and Social Research into Practical Outcomes: The Edward R. Roybal Research Centers on Applied Gerontology, Geriatrics Society of America Annual Meeting, Los Angeles, CA, October, 1995.

- 1996 Simon K, Dyrek D, Harris BA: Validity of measuring lumbar flexion with an inclinometer. Platform Presentation at the Massachusetts Chapter APTA Annual Meeting, Danvers, MA, October 1996.
- 1996 Brown C, Harris BA, Zachazewski J: Perceived pain scores with and without patellofemoral taping. Poster Presentation. Massachusetts Chapter APTA Annual Meeting. Danvers, MA, October, 1996.
- 1997 Pierce KA, Harris BA, Heislein DM, Mankin HJ, Gebhardt MC: Functional outcomes of patients status post total or partial scapulectomy. Poster Presentation. Presented at MGH Research Symposium, Boston MA, January 1997; The American Academy of Orthopaedic Surgery, Boca Raton FL, February 1997, and the International Limb Salvage Society, New York, NY, September 1997.
- 1997 Tackson SJ, Krebs DE, Harris BA: Acetabular pressures during hip arthritis exercises. Poster Presentation. Presented at MGH Research Symposium, Boston, MA, January 1997.
- 1997 Simon K, Dyrek D, Harris BA: Validity of measuring lumbar flexion with an inclinometer. Platform Presentation at the Combined Sections Meeting, APTA, Dallas, TX, February 1997.
- 1997 Scarborough DM, Krebs DE, Harris BA: Quadriceps muscle strength and dynamic stability in elderly persons. Neural Control of Movement Satellite meeting. Cozumel, Mexico, April 12-16, 1997.
