

CURRICULUM VITAE

NAME: Kathryn E. Hall, MS, ANP-BC, NE-BC

EDUCATION: Masters of Science, June 1988
Specialization: Adult Medical-Surgical Ambulatory Nursing
Boston College, Graduate School of Arts & Sciences
Chestnut Hill, MA 02167

Bachelor of Science, December 1984
Boston College, School of Nursing
Chestnut Hill, MA 02167

LICENSURE: Massachusetts Registered Nurse License Number 170640

**ANCC BOARD
CERTIFICATION:** Adult Nurse Practitioner
Nurse Executive

**PROFESSIONAL-
EXPERIENCE:** **Massachusetts General Hospital**
January 2008 to Present

- **Nursing Director**
Translational and Clinical Research Centers
A Member of the Harvard Catalyst Clinical Translational Science Center (HCCRC)
White 12 and 13 MGH clinical units
Charlestown Navy Yard outpatient clinical unit and Biomedical Imaging Center (closed 2018)
Management of clinical nursing (RN and NP), lab and support staff
Budgetary responsibility for multiple cost centers including MGH Patient Care Services as well as NIH funding for both staff and non-staff costs
Broad range of research studies conducted, including both adult and pediatric populations across all specialty areas
On site Laboratory Processing, Nutrition facilities, DEXA, and MRI

Appointed Lead Nurse Director, Harvard Catalyst Clinical Translational Science Center, April 2012
Responsible for all issues as related to nursing at 5 Harvard Catalyst Sites (MGH, BWH, BIDMC, BCH, and MIT)
Development of Standard Operating Procedures (SOP) and practice guidelines. Identification and sharing of best practices across institutions. Chair of weekly Nurse Director meetings.
Nurse Director representative at Harvard Catalyst Executive Committee Meetings.
Primary author of nursing section of NIH grant submitted – 5 year grant renewal, submitted 1/2013.
Communication across CTSC network and collaboration with peers regarding common issues and concerns.
Development of Nurse Sensitive Indicators (at MGH) related to Clinical Research Centers.
Developed, in collaboration with HCCRC Nurse Director group, workload measurement tool – Piloted at MGH, to define and measure work of Nursing, Nutrition and Lab staff across 5 sites, budgetary implications. Implementation of Harvard Catalyst scheduling system across HCCRC sites.

General Medicine, Ellison 16

Interim Nursing Director

October 2009- November 2011

36 Bed General Medical Unit, largest medical unit at MGH

Management of nursing and support staff. Ensure delivery of safe patient care in patients with complex medical needs. Collaboration with other disciplines.

Budgetary Responsibilities for MGH Patient Care Services staff and non-staff costs.

IHI-STAAR Pilot Unit, reduced hospital readmissions by 8% during 2 year pilot. Implemented Discharge RN role, modeled after Project Red, to facilitate provider communication and enhance patient teaching. Patients were identified based on pre-determined criteria (number of medications and diagnoses).

Initiated Pharmacy post-discharge calls.

Member of Medical Operations Oversight Committee. Charged with decreasing Length of Stay (LOS), and increasing pre-noon discharges, while enhancing patient experience and quality of care in Medical Services. Ellison 16 was the only medical unit to meet all goals.

Co-Director (Nurse Lead) of Primary Care Workgroup – focus on LOS, discharge rate, and patient experience. Designed and implemented primary care practice rounding system, involving Academic Hospitalist Program, highlights included morning and afternoon huddles with resource and discharge RNs and medical team to review potential discharges within 24-48 hours.

Atrius Health - Harvard Vanguard Medical Associates

October 1988 to Present.

- ◆ Director of Nursing Clinical Program Development and Director of Nursing Education
August 2005 to January 2008
- ◆ Office of Continuing Professional Education, Director of Nursing Education.
December 2005 to January 2008.
Oversight, with Director of Medical Education, for all education programs at HVMA-Atrius Health Care.
Accreditations with Massachusetts Medical Society and Massachusetts Association of Registered Nurses.
Coordination of Graduate Student/NP placements within HVMA.
- ◆ Specialty Nurse Leader Central Internal Medicine.
August 2005 to January 2008.
Oversight of Internal Medicine Associate Nurse Leaders. Staffing and budgetary responsibilities.
Development of Clinical guidelines for NP/PA and RN staff in Internal Medicine.
Coordination of Internal Medicine Central Orientation for new MD and NP/PA staff.
Reporting to Specialty Director of Internal Medicine.
- ◆ Nurse Leader/ Liaison for Patient Centered Care Initiative.
Resource for workflows, clinical guidelines, practice standards for Advanced Practice Clinicians, Registered Nurses and Licensed Practical Nurses. Integration of Electronic Medical Record System (EPIC) into daily workflows.
- ◆ Senior Clinical Advisor for Nursing.
December 2000 to August 2005.
Senior Nurse Leader position at HVMA.
Liaison to CMO/CEO/COO on all matters relating to nursing. Topics included, but not limited to Collaborative Practice Agreements, Clinical Practice Guidelines, Prescriptive Authority, Scope of Practice, etc. Direct reporting relationship to CMO. Oversight of Senior Nursing Leadership Management team.

- ◆ Associate Chief of Medicine/ Nurse Leader - Wellesley Internal Medicine Practice.
July 2000 to August 2005.
Responsible for management and evaluation of non-MD clinical staff (RN/NP/PA/LPN).
Performance reviews, orientation and staff development. Staffing and budgetary responsibilities. Member of Internal Medicine Management team.

- ◆ Nurse Practitioner, Wellesley Internal Medicine Practice
June 1992 to January 2008.
Team of 3 MDs, 2 NPs, 1 RN and 5 support staff. Responsible for patient evaluation, diagnosis, and treatment of adult panel. Prescriptive authority obtained January 1994.

- ◆ Clinical Manager Adult Urgent Care Department
March 1994 to June 2004
Responsible for management and evaluation of clinical staff. Regional Wellesley-West Roxbury department. Responsible for communication between departments, staffing schedules, budget, reviews, orientation of new staff, and overall maintaining smooth functioning of the department and high level of staff and patient satisfaction.

- ◆ Nurse Practitioner, Wellesley Adult Urgent Care Department
October 1988 to January 2001 and January 2018 to present
Responsible for patient evaluation, diagnosis, and treatment for a varied patient population. Collaboration with on-call physician. Resource in area of Neurology.
Urgent Care Department Diamond Award, 1991.

- ◆ Nurse Practitioner, West Roxbury Practice. Urgent Care.
June 1991- November 1992
Responsible for evaluation, diagnosis and treatment of patients in Urgent Care setting. Coverage for providers in Internal Medicine.

- ◆ Nurse Practitioner, Neurology Department (June 1996 to January 2018)
- ◆ Associate Chief of Neurology (2002-2008)
- ◆ Director, HVMA Multiple Sclerosis Program (1998-2008) – Multi-specialty program designed to coordinate care for MS patient population. Coordinated patient visits, specialty referrals and follow-up. Facilitator of monthly support group. Treatment and Management of patients with Multiple Sclerosis. Serve as a resource to Primary Care clinicians in the management of this patient population.
- ◆ Co-director, HVMA Headache Program (1999-2008) – Multi-specialty program for management and treatment of patients with complex migraine, tension and cluster type headaches. Utilizing pharmacological, behavioral and complementary therapeutic treatment modalities. Resource for Primary Care clinicians in management of this patient population. Initiated rollout and implementation of non-narcotic treatment options for headache management to 14 practice sites. Yearly CME Programs on diagnosis and treatment of headaches, use of preventive medicines and preferred triptans.

Massachusetts General Hospital Institute for Health Professions

Charlestown, Massachusetts. September 2009- present

Part Time Faculty

Assistant Professor, Graduate Nursing Program

Co-Coordinator, Adult Gerontology Primary Care (AGPC) Nurse Practitioner program

Clinical Preceptor for Graduate AGPC NP students

Courses taught include:

Advanced Health Assessment (fall semesters since 2009),
 Diagnostic Reasoning (spring 2011 spring 2019),
 Primary Care I – AGNP (spring 2013),
 Primary Care III – AGNP (spring semesters since 2014),
 Health Assessment – ABSN (summer 2014)
 Scholarly Project Reader for graduate nurse practitioner students (2014- current)

Boston College Graduate and Undergraduate School of Nursing

Chestnut Hill, Massachusetts. September 2003- 2014.

- ◆ Part Time Clinical Instructor and Clinical Preceptor for Graduate Students in the Adult, Family, and Pediatric Nurse Practitioner Programs. Clinical Instructor for Adult Health and Synthesis in Undergraduate program (BSN).
- ◆ Semester classes have included: “Advanced Diagnosis and Treatment”, “Pharmacology”, and ‘Advanced Physical Assessment’ for the Adult Nurse Practitioner student.
- ◆ Lectures included: Collaborative Practice, ENT, GU, GI, Neurology, and Women’s Health topics. The Advanced Diagnosis and Treatment class consists of a clinical seminar component to review case presentations and clinical vignettes.

Private Neurology Practice

Newton, Massachusetts

October 1988 to October 1992.

- ◆ Nurse Practitioner/Clinical Nurse Specialist with a Neuroscience specialty. General Neuromedical practice with a broad range of patient population. Responsible for patient management, establishment of treatment programs, and initiation of appropriate outside referrals with physician collaboration. Provided counseling services, education, and support groups. Specialty areas include: Seizure Disorders, Multiple Sclerosis, Chronic Pain Syndromes and Parkinson’s Disease. Joint Neurotesting laboratory with EMG/NSS, EEG, Telemetry, Carotid Ultrasounds, and PSG/MSLT’s.

Beth Israel Hospital

Boston, Massachusetts

January 1985 to October 1988.

- ◆ Primary Nurse on a 30 bed Adult Medical Surgical Unit with a Specialty in Neurology and Neurosurgery. Consistently maintained a caseload of 1-2 primary patients and 3-4 associate patients. Responsible for assessment of primary patients, establishment and implementation of Nursing Care Plans and evaluation of their effectiveness. Participation in Peer review. Special interest in patient and family teaching. Resource for staff on the care of epilepsy patients and neurological patients with complex psychiatric needs.

**PROFESSIONAL AND
COMMUNITY SERVICE:**

- ◆ Lead Nurse Director, Harvard Catalyst CTSC, Executive Committee member, 2012- present
- ◆ Chair, IACRN Research Committee 2016-2018.
- ◆ Chair Elect, IACRN Research Committee 2015-2016
- ◆ Chair, IACRN Conference Planning Committee 2015
- ◆ Co-Chair IACRN Conference Planning Committee 2014
- ◆ Member, MGH IHP Appeals Committee 2016-present
- ◆ Member IACRN Research Committee, Chair of Metrics subcommittee, 2015
- ◆ Member ONL Research Committee, 2014- present
- ◆ Member ONL Conference Planning Committee 2018- present
- ◆ Member, Partners Research Advisory Council, 2014-2018
- ◆ Member, MGH Executive Committee on Research (ECOR), 2016- present
- ◆ Member, MGH Translational Medicine Business Plan Development Subcommittee 2013- 2015
- ◆ Member, Partners eCare Research Council, 2013- 2019
- ◆ Member, Subject Recruitment and Clinic/Research Interface Workgroup, 2013- present
- ◆ Member, Partners IRB, MGH Panel C, 2009 - present
- ◆ Member, Massachusetts General Hospital Nursing Leadership Academy 2009-2015
- ◆ Co-Coordinator, Munn Center for Nursing Research Leadership Team 2008- 2015
- ◆ Member, Medical Operations Oversight Committee. Nurse Lead for Primary Care Team. 2010-2012., Ad hoc member 2012- present
- ◆ Member, Massachusetts General Hospital for Children Quality and Safety Committee, 2012-present
- ◆ Co-Coordinator, Medical Visiting Nursing Scholars Annual Program. 2010 and 2011

- ◆ Member Atrius Health Care Pharmacy and Therapeutics Committee, Neurology Representative, 2000-2008
- ◆ Member, HVMA Quality Assurance Committee, 2001-2008
- ◆ Nurse Leader Patient Center Care Initiative, HVMA 2004-2007
- ◆ Clinical Preceptor Nurse Practitioner Students; Boston College, Northeastern University, Simmons College, and MGH Institute of Health Professions, 1991 to present.
- ◆ Expert speaker/Consultant. Headache Management Diagnosis and Treatment.
- ◆ Expert Speaker/Consultant. Multiple Sclerosis Diagnosis and Treatment
- ◆ Member, HVMA Care Model Task Force Committee, 2002 to 2005.
- ◆ Coordinator, Multiple Sclerosis Education and Support Group, Harvard Vanguard Medical Associates, May 1993 to January 2008.
- ◆ Member, HVMA DPH Task Force, 2001 to 2005.
- ◆ Coordinator, HVMA Graduate NP Student Clinical Placements. 2003-2008
- ◆ Elected to HVMA, Wellesley Practice, Board of Directors, 1998 (1-year term), and 1999 (3-year term). Vice-Chair of Board, 1998, 1999, 2000. Chair, Governance Committee, HVMA, Wellesley Practice, 1998 to 2000.
- ◆ Personal Health Improvement Program Leader, Harvard Vanguard Medical Associates, September 1996 to 2005.
- ◆ Chair, Governance Committee, Wellesley Practice Board of Directors 1998-2000
- ◆ Alumni Admissions Counselor, Boston College Undergraduate Admissions Office, December 1984 to 1990.
- ◆ Health Care Consultant, Medfield Children's Center, Medfield, MA, 1996 to 2001.
- ◆ Trauma Review Committee, Harvard Community Health Plan, Wellesley Center, 1994.
- ◆ Appointed to Seminars in Nursing Committee, Beth Israel Hospital, September 1985 to September 1987.
- ◆ Newsletter Committee, Sigma Theta Tau, Alphi Chi Chapter, August 1985 to June 1990.
- ◆ Program and Education Committee, Massachusetts Nursing Association, District V, November 1985 to June 1987.
- ◆ Elected to Nominating Committee, Sigma Theta Tau, Alpha Chi Chapter, May 1986 to May 1987.

- ◆ Elected to Continuing Education Committee, Boston College Graduate School of Nursing, September 1986 to May 1987 and September 1987 to May 1988.
- ◆ Clinical Preceptor, Beth Israel Hospital, January 1986 to September 1988.
- ◆ Documentation Task Force, Beth Israel Hospital, February 1986 to September 1988.
- ◆ Screening Committee Volunteer, Colorectal Cancer Screening Program, Sponsored by Beth Israel Hospital and WBZ-TV 4, 1986.
