

CURRICULUM VITAE

NAME Joshua D. Hartzell, MD, MS-HPed, FACP, FIDSA
Colonel, Medical Corps, US Army
Department of Medicine
Walter Reed National Military Medical Center
Bethesda, MD 20889
Joshua.d.hartzell.mil@mail.mil

EDUCATION

1994-98 BS, Biology, Duquesne University, Pittsburgh, PA
1998-2002 MD, Uniformed Services University of the Health Sciences, Bethesda, MD
2002-05 Internal Medicine Residency, Walter Reed Army Medical Center
2006-09 Infectious Disease Fellow, Walter Reed Army Medical Center
2013 Army Intermediate Level Education, Command and General Staff College, Ft Belvoir, VA. In residence
2013 Stanford Faculty Development Clinical Teaching Course for Facilitators, Stanford University
2015-2016 Faculty Development Certificate in Academic Leadership (30 hours) Uniformed Services University of the Health Sciences
2015- 2017 Massachusetts General Hospital Institute of Health Professions Master of Science in Health Professions Education

CURRENT PROFESSIONAL POSITION

2019-present Program Director, Internal Medicine Residency, National Capital Consortium

2018-present Adjunct Associate Professor and Term Lecturer, MGH Institute of Health Professions Education

PREVIOUS PROFESSIONAL POSITIONS

2005-06 Chief of Medical Residents, Walter Reed Army Medical Center

Responsible for the medical education and military readiness of approximately 45 internal medicine residents. This included the academic schedules totaling over 200 hours of academic conferences and clinical schedules (inpatient and outpatient) of each resident. Oversaw daily teaching conferences of over 50 learners to include medical students, residents, and faculty. Mentored and counseled students, interns, and residents related to academic progress, career development, and professionalism.

2009- Infectious Disease Staff Physician, Walter Reed Army Medical Center, Walter Reed National Military Medical Center

Serve as an infectious diseases physician seeing clinic approximately 1/2 day per week as well as typically attending on infectious diseases consult service 1 month per year (2 months prior to 2016). Served as core faculty for infectious diseases fellowship responsible for staffing fellows in clinic, mentoring fellows on research and career development and member of the Infectious Diseases Clinical Competency Committee (2013- 2016). Supported hospital and served as subject matter expertise for infectious diseases on hospital committees. Member of Ebola Response team

assisting with hospital preparedness and facilitating care of US Public Health Service members deployed to Liberia in 2014.

7/09-2/10 Squadron Surgeon, 4-73 CAV, 4th Brigade Combat Team, 82nd ABN Division

Served as the Squadron Surgeon for an Airborne Cavalry Squadron based at Fort Bragg, North Carolina and deployed to Afghanistan in support of Operation Enduring Freedom. Advised the Commander on medical readiness, medical threats, and tactical combat care. Provided medical advice and comprehensive care in a combat environment to over 460 paratroopers, coalition soldiers, contractors, and local nationals. Supervised and mentored one physician assistant, one medical services corps officer, and 29 combat medics. Coordinated and oversaw basic and advanced trauma and non-trauma training for US and Afghan personnel. Participated in the development of the Afghan civil and military healthcare structure and medical education.

3/11-6/16 Associate Program Director, NCC Internal Medicine Residency

Coordinated the training, education, and professional development of over 70 Internal Medicine residents each year. Served a Clinical Competency Committee Chair and met biannually with residents on my committee to provide academic counseling as well as career advice. Developed a mentoring program for the residents and created a leadership curriculum. Assisted in strategic planning of residency helping to develop pillars of excellence (clinical care, teaching, research, patient safety/quality, and leadership development). Oversaw residents at daily noon report and taught clinical reasoning skills. Served as the military senior rater for 2 of 3 resident classes (~ 20 Army officers) during my final year overseeing their academic and military professional development.

5/13-6/16 Assistant Chief of Graduate Medical Education, WRNMMC

Assisted the Chief of Graduate Medical Education ensuring oversight and preparedness for accreditation of 67 programs and over 600 trainees. Took part in preparation and execution of ACGME CLER visits as well as other regulatory requirements. Represented GME on hospital quality management committee ensuring a bridge between quality and GME. Developed programs to enhance resident professionalism, leadership, and research success. This included a yearly transition to practice seminar, chief resident leadership conference, and resident as researcher day that was developed and given 3 times for over 50 residents. Provided faculty development to GME Programs.

5/13-6/16 Army Intern Director, WRNMMC

Intern Director for approximately 120 interns ensuring successful orientation over a three week period. This included hospital orientation as well as orientation of each new intern to their respective military service. Assisted program directors and hospital leadership to ensure compliance with their military and professional requirements throughout the academic year. Served as an ad hoc advisor and mentor to interns of multiple specialties as necessary related to academic difficulties or routine career counseling.

2017-1/31/2019 Assistant Dean for Faculty Development
Uniformed Services University of the Health Sciences

Helped to oversee the faculty development of Uniformed Services University faculty which totals approximately 4000 national faculty. Responsible for scheduling site visits to over 10 military

treatment facilities for 2-3 days. Personally delivered over 100 educational workshops on teaching and leadership development during this 2 year period.

2016-1/15/2019: Director, Internal Medicine Selectives and Assistant Internal Medicine Clerkship Director, Dept of Medicine, Uniformed Services University of the Health Sciences

Responsible for 2 clerkship students and approximately 8-10 faculty per rotation at Fort Belvoir Community Hospital. Developed schedules, completed evaluations and delivered verbal and written feedback. Provided strategic guidance to department on overall clerkship. Served as Director of Internal Medicine Selectives responsible for 20-25 students per year at approximately 8-10 sites across Department of Defense per year. Coordinated schedules, evaluations, feedback, developed memorandum of understanding to start new cite, and faculty development.

ACADEMIC POSITIONS

Teaching Fellow in Medicine, USUHS	2003-2005
Assistant Professor of Medicine, USUHS	2005-2013
Associate Professor of Medicine, USUHS	2013-2018
Professor of Medicine, USUHS	2018-present
Adjunct, Associate Professor of Medicine, Massachusetts General Hospital	
Institute of Health Professions	2018-present

BOARD CERTIFICATION

2005: American Board of Internal Medicine. Recertified April 2015.
2008: American Board of Infectious Diseases. Recertified 2018.
2009: Certificate of Knowledge in Clinical Tropical Medicine and Travelers' Health

ADDITIONAL CERTIFICATIONS

Leadership Practices Inventory Coach Training, February 2021
ACLS Instructor: Expires May 2023
BLS: Expires May 2023

MEDICAL LICENSURE

Virginia, expires June 30, 2022

MILITARY SERVICE

Current Military Rank: Colonel, MC, USA. Promoted May 18, 2020.

1994-98	Reserve Officer Training Corps, Pittsburgh, PA, Distinguished Military Graduate

24. Andrews M, Maciuba J, Robinson S, **Hartzell JD**. “He said what?” Developing Communication Skills in Residents.” International Conference on Residency Education. Broadcast via zoom. 21 October 2021.

VISITING PROFESSOR/CONSULTANT

1. Visiting Professorship and Grand Rounds, Mount Sinai Emergency Medicine Program, 24 and 25 January 2017.

Visited Mount Sinai and met with Emergency Medicine Residency Program Leadership to help develop a residency leadership curriculum. Included the assistance with local needs assessment that we reviewed while I visited as well as ongoing collaboration with program to help shape their leadership curriculum.

2. Orlando Veteran’s Affairs Hospital Faculty Development Road Show

Invited along with 2 colleagues (Cliff Yu, MD and Joseph Lopreiato, MD) to do a 3 day assessment of the graduate medical education training programs (Mainly internal medicine but also pharmacology and simulation fellows) at the VA Hospital. Met with program leadership, conducted observations of morning report, noon academics, inpatient rounding, and clinic precepting. Delivered a series of five talks including a Grand Rounds. Developed a report for program leadership on areas where the program should sustain or consider making changes.

3. Harvard Macy Leading Innovations in Health Care and Education

Invited faculty for leadership course for over 90 Harvard Macy Scholars.

June 2017

Served as a small group facilitator for 4 one-hour journal club sessions. Facilitator and project group leader tasked with helping a group of 5 scholars work through leadership projects.

June 2018

Facilitator and project group leader tasked with helping a group of 5 scholars work through leadership projects. Led design thinking group which met multiple times during the week and went through the design thinking process to develop a health care problem. Served as Twitter leader by posting on Twitter each day related to the course.

4. Consultant for Faculty Development at Cooper University of Rowan University, Camden, NJ. 16-18 October 2017.

Part of a team with three other physicians who visited Cooper University Medical School and Hospital to do faculty development with medical school and graduate medical education faculty. We delivered a series of faculty development talks to a variety of departments and conducted faculty observations. I observed faculty in the Intensive Care Unit and an Endocrinologist while doing inpatient rounds and provided feedback to the faculty. Our team generated an overall report related to the learning climate and teaching at the university/hospital.

5. Course Faculty for Leadership and Organizational Change, Massachusetts General Hospital Institute of Health Professions, August to December 2017.

Assisted course director with development of a Masters in Health Professions Education class on leadership and organizational change. My role consisted of reviewing curriculum materials and developing a lesson for one of the weeks. In addition, I participated in responding to student blog posts throughout the course.

6. Alpha Omega Alpha Visiting Professor, Florida State University College of Medicine, 13-14 December 2017.

Visited FSU and took part in multiple activities over two days including giving 3 lectures, individual and group meetings with students, and discussed the school's leadership curriculum with student leaders and faculty advisor.

7. Western Michigan University Graduate Medical Education Program Directors Retreat. Kalamazoo, MI, 15 May 2018.

Spent afternoon (3 hours) with graduate medical education programs working on local leadership development programs. Delivered a workshop and spent additional time discussing potential plans related to leadership development plans including hospital wide curriculum to how to teaching in clinical settings.

COURSE DIRECTOR

LOCAL/REGIONAL

1. Chief Resident Leadership Conference 29 May 2013
Coordinated event/speakers and moderated small group exercise.
Walter Reed National Military Medical Center Chief Residents

2. Senior Teaching Resident Leadership Seminar 1 July 2013-June 2014
Monthly 1-2 hour session with senior IM Residents on teaching rotation
Review classic leadership articles, discuss leadership styles,
and cover characteristics of good and bad leadership.

3. Stanford Faculty Development Seminar Nov-Jan 2013
(7 sessions, each 1.5 hours long, 8-10 people per course) Jan-Mar 2015
Mar-May 2016
Oct-Dec 2016
Oct-Dec 2017
Sep-Dec 2020
Jan-April 2021

4. Chief Resident Leadership Workshop (8 hours) 3 June 2014
Coordinated event/speakers for 40 Chief Residents from 4 hospitals

Lecture:
Learning Climate

Lecture, small group discussions and role plays
Feedback: It's not personal, it's about personal development
Walter Reed National Military Medical Center Chief Residents

5. Chief Resident Leadership Workshop (8 hours) 1 May 2015

Coordinated event/speakers for 25 Chief Residents from 3 hospitals

Lecture:

Lecture, small group discussions and role plays

Feedback: It's not personal, it's about personal development

Walter Reed National Military Medical Center Chief Residents

6. Chief Resident Leadership Workshop (8 hours)

29 April 2016

Coordinated event/speakers for 24 Chief Residents from 3 hospitals

Lecture:

Lecture, small group discussions and role plays

Feedback: It's not personal, it's about personal development

Walter Reed National Military Medical Center Chief Residents

7. Chief Resident Leadership Workshop (8 hours)

19 May 2017

Coordinated event/speakers for 32 Chief Residents from 5 hospitals

Lecture:

Lecture, small group discussions and role plays

Feedback: It's not personal, it's about personal development

Walter Reed National Military Medical Center Chief Residents

8. LEAD 2.0 (Leadership Education and Development) Curriculum

Jan 2016-present

Hospital wide interprofessional leadership curriculum for GME trainees, junior nurses, and allied health trainees. Consists of 12 recurring modules (leadership fundamentals (leadership styles, definitions, etc), mentoring and coaching, emotional intelligence, conflict resolution, feedback, managing effectively, building an effective team, and implementing change) each 1.5 hours in length. Teaching methods are interactive and based on the Kolb Learning Cycle and Adult Learning Theory. Participants who complete the core topics and 3 electives will be awarded a Leadership Certificate from the Department of Graduate Medical Education.

9. Army Graduate Medical Education Leadership Curriculum

November 2016-present

LEAD 2.0 curriculum was expanded to 12 topics. The curriculum including all necessary content was then taken and prepared for distribution on milsuite which is an online repository for curriculum. The site is openly available to anyone with a common access card (ie, anyone who works at a military hospital or clinic). A facilitator guide was developed for each site so that faculty at each site could deliver the materials.

10. Army-Air Force Faculty Development Precourse

5 September 2018

Planned and organized faculty development precourse for the Army and Air Force Chapters of the American College of Physicians. The half-day course consisted of 1 plenary talk, 4 workshops, and 8 speakers. The course was attended by over 30 participants awarding a total of 120 CME hours and faculty development certificate credit.

11. Term Lecturer, MGH Institute of Health Professions

September 2018-present

1. Course director for “Leadership and Organizational Change” course at the Masters in Health Professions Education Program. It is a 1 term 3 credit course taught twice per year (2 times to date) to 1-9 students per semester. The course reviews the principles of leadership from personal, interpersonal, team, and organizational level and culminates with students learning to manage change within their organization. The course is delivered online remotely through weekly assignments and blog postings by students.

2. Course director for “Advanced Readings in Leadership” course
Semester long course that reviews four leadership texts with students over the semester. The course is interactive with blog posts and multiple reflective writing assignments. The course builds on the leadership principles taught in Leadership and Organizational Change and is meant to challenge participants about how to build effective cultures and develop productive teams and organizations.

Talks as MGH –IHP Faculty

Hartzell J. Burnout: It’s a Leadership Issue. (in Boston)	14 September 2019
Servey J, Hartzell J: Mentoring in the #HeForShe #MeToo Era (Zoom)	23 June 2020
Hartzell J. Burnout: It’s a Leadership Issue. (Zoom)	12 September 2020

EDITORIAL ACTIVITIES (recent and Infectious Diseases specific)

- Reviewer, Epidemiology and Infection, 2012
- Reviewer, Clinical Infectious Diseases, 2013
- Reviewer, JAMA Internal Medicine, 2014
- Reviewer, Red Book 2015/2018/2024 (Chapter on Q fever)
- Reviewer, Vaccine, 2017
- Reviewer, Journal of General Internal Medicine, 2017
- Reviewer, BMJ Best Practice Section on Q fever, 2018
- Reviewer, Journal of Graduate Medical Education, 2018
- Reviewer, Pediatrics, 2019
- Reviewer, Academic Medicine, 2020
- Reviewer, Journal of Healthcare Leadership, 2022
- Column Editor: Military Medicine, Leadership Lessons from the Field, 2018-present
 - Each issue has a case study on leadership challenges faced by junior leaders that I solicit and help the authors to publish.

UNIFORMED SERVICES UNIVERSITY TEACHING ACTIVITIES

Clerkship Lecturer 2005-2006

- Gave a 1.5 hour lecture on acid base disorders to each group of rotating clerkships students.

Preceptor, Introduction to Clinical Medicine III 2005-2006, 2008, 2/11-4/11, 2/12

- Led small group teaching exercises to pre-clerkship students on a variety of clinical conditions. Each session focused on enhancing students clinical reasoning skills.

Attending, General Medicine Service, WRAMC, WRNMMC 2006-present

- Attend 6-8 weeks per year on general medicine service and directly oversee the medical education of rotating USU clerkship, USU advanced clerkship

students, and HPSP medical students. This involves directly observing the student on rounds, clinical care, and teaching in small group settings.

Attending, Infectious Diseases Consult Service, WRAMC, WRNMMC 2010-present

- Attend 4-6 weeks per year as on infectious disease consult service and oversee the education of the rotating advanced clerkship student as well as any rotating HPSP student.

Preceptor, Ambulatory 3rd year clerkship 2007, 2008, 2010, 2016- present

- Meet with students for 4 hours per week for 5 weeks to review history and physical exam skills, presentation skills, and clinical reasoning. Review written histories and physical exams completed by students.

Clinical Pharmacology Small Group Leader 2011

- Led small group of students on clinical reasoning exercise related to antibiotics.

Introduction to Clinical Reasoning Preceptor, HIV Module 2013, 2014

- Led small group of students through a series of cases related to HIV.

Introduction to Clinical Reasoning Preceptor, Fever Module 2013, 2014

- Led small group of students through a series of cases related to Fever.

Introduction to Clinical Reasoning Preceptor, Antibiotics 2020, 2021

- Led small group of students through a series of cases related to antibiotics.

LCME Clinical Associates Group Representative October 28, 2015

- Met with site visitors during LCME visit to help describe experiences of clerkship students as well as faculty at associated hospitals.

Faculty Evaluator, Military Contingency Operation Bushmaster October 2016-

- Evaluated field medical, preventative medicine, and leadership skills in a simulated deployed 3 day field exercise
- 2016 Platoon was recognized as Honor Platoon
- 2017 – Served as the Team Leader Observer Controller overseeing 24 students and 6 faculty
- 2018 – Served as the Team Leader Observer Controller overseeing 24 students and 7 faculty
- Assessment Development: spent half-day in October 2020 developing leadership assessment
- 2021 – Served as the Team Leader Observer Controller overseeing 24 students and 7 faculty

Longitudinal facilitator 2016-2019

Module 1: Foundation in Medicine, History and Physical Exam Class
Introduction to Clinical Reasoning

Simulation Workshop for Internal Medicine Clerkship Students 31 October 2017

- Taught thoracentesis using simulation to 8 students (2 hours)

ECG Workshop Transition to Practice Week, Class of 2020

3 January 2018

- Taught group of 8 learners basics of ECG

MED504, Stanford Faculty Development Course.

JAN-MAR 2020

SEPT-NOV 2020

JAN-APR 2021

SEP-NOV 2021

Teach Foundations of Health Professions Education Students a 2 credit Course based on the Stanford Clinical Teaching Program.

Tropical Medicine Small Groups-Bench, Bedside, and Beyond (4th Year Students) 4 March 2022

PrEP Small Groups, Bench, Bedside, and Beyond (4th Year Students)
Taught small

15 March 2022
