

**CURRICULUM VITAE****1. Personal Details**

Name: Anna Zisberg  
 Email Address: azisberg@univ.haifa.ac.il

**2. Higher Education****a. Undergraduate and Graduate Studies**

Period of Study	Name of Institution and Department	Degree
1992-1995	University of Tel-Aviv, "Sheba" School of Nursing, Medical Center in Tel-HaShomer	B.A. in Nursing, registered nurse (RN)
1995-1998	University of Tel-Aviv, Department of nursing, Sackler School of Medicine	M.A. in Nursing, <i>Summa Cum Laude</i>
2001-2005	University of Washington, Seattle, WA, School of Nursing	Ph.D.

**b. Post-Doctoral Studies**

Not Applicable

**Note:** \*represents activities and publications since last promotion

**3. Academic Ranks and Tenure in Institutes of Higher Education**

Years	Name of Institution and Department	Rank/Position
2000-2001	University of Haifa, The Cheryl Spencer Department of Nursing	Teaching fellow
2002-2005	University of Washington, Seattle, WA, School of Nursing.	Research assistant
2005 -2007	University of Haifa, The Cheryl Spencer Department of Nursing.	Lecturer [proposed rank]
2007-2012	University of Haifa, The Cheryl Spencer Department of Nursing.	Lecturer
2012- 2017	University of Haifa, The Cheryl Spencer Department of Nursing	Senior Lecturer with tenure

Years	Name of Institution and Department	Rank/Position
2012-2013	Betty Irene Moore School of Nursing, University of California Davis (UCD).	Visiting Professor
2018-present	University of Haifa, The Cheryl Spencer Department of Nursing	Associate Professor

#### **4. Offices in Academic Administration**

##### **a. Academic Offices in the department**

Years	Name of Institution and Department	Role
2005–2012	University of Haifa, The Cheryl Spencer Department of Nursing	A member of the academic staff planning committee in charge of selecting and funding candidates for the Ph.D. program via the Spencer foundation grants.
2006–2010	University of Haifa, The Cheryl Spencer Department of Nursing	A faculty in charge of the development of academic exchange programs and affiliation programs between the University of Haifa dept. of Nursing and the UW School of Nursing (Seattle, WA).
2009–2010	University of Haifa, The Cheryl Spencer Department of Nursing	A member of the committee preparing self-evaluation report for Israel Council for Higher Education responsible for research conducted at the department
2011–2012	University of Haifa, The Cheryl Spencer Department of Nursing	A faculty in charge of development an international teaching program.
2011–2012	University of Haifa, The Cheryl Spencer Department of Nursing	<b>Head</b> of the undergraduate B.A. Program at department of Nursing.
2013–2018	University of Haifa, The Cheryl Spencer Department of Nursing	<b>Head</b> of the undergraduate B.A. Program.
2014–2015	University of Haifa, The Cheryl Spencer Department of Nursing	A member of the graduate program track development committee, specializing in Nursing informatics.
2014–2018	University of Haifa, The Cheryl Spencer Department of Nursing	Co-founder and head of "Tamchin" program promoting academic outcomes in Arab students through academic socialization and empowerment
2015–present	University of Haifa, The Cheryl Spencer Department of Nursing	Counselor at the Honor Society of Nursing by Sigma Theta Tau STTI
*2018–present	University of Haifa, The Cheryl Spencer Department of Nursing	Member of the steering committee of the Nursing research Center.
*2019–present	University of Haifa, The Cheryl Spencer Department of Nursing	<b>Head</b> of the PhD Program.

**b. Academic Offices in faculty and other universities**

2011–2013	University of Haifa, Faculty of Social Welfare and Health Sciences	A member of teaching committee.
2012–2013	Betty Irene Moore School of Nursing, University of California Davis (UCD)	A member of the Immersion program in Nursing committee: designing and preparing the new program. The program is currently approved and operational.
2014–present	University of Haifa, Faculty of Social Welfare and Health Sciences	A member of the Ethical Review Board
*2018–2019	University of Haifa, Faculty of Social Welfare and Health Sciences	Head of the academic promotion committee for the rank of a senior lecturer.
*2019–2020	University of Haifa, Faculty of Social Welfare and Health Sciences	Member of the academic promotion committee for the rank of a senior lecturer.
*2019–present	University of Haifa, Faculty of Social Welfare and Health Sciences	<b>Deputy Chair</b> of the Faculty Ethical Review Board
*2019–present	University of Haifa, Rector office	A member of committee reviewing and approving online courses
*2021–present	Faculty of Social Welfare and Health Science, UOH	<b>Director</b> of the Center of Research & Study of Aging,

**5. Scholarly Positions and Activities outside the University**

<b>Years</b>	<b>Membership in Academic Professional Associations</b>
2004-present	Gerontological Society of America-Member
2005-present	Alumni, Fulbright
2007-present	The Israeli Neurology Nursing Association – Member
2007-present	The Israeli Nursing Research Association – Member
2007-present	The Israel Gerontological Society – Member
2007–present	The Israel Wound Care Association – Member
2012–present	Co-founder and Member of International interest group of geriatric Nursing in International Association of Geriatric and Gerontology
2013–present	A member of the Haifa Chapter of the Israeli Fulbright Alumni Association
*2021–present	Fellow of American Academy of Nursing (FAAN)
*2021–present	Associate editor at Geriatric Nursing (journal)

Years	Membership in Academic Professional Associations
*2021–present	Associate editor at Research in Gerontological Nursing (journal)

Years	Review for Refereed Journals
2008–present	<i>Gerontology</i> (in Hebrew)
2008–present	<i>Gerontology Ser. B-Psychol. Social Sci.</i> [IF=2.81, 5-yr IF=3.48, Rank=5/32 in gerontology (Q1), Rank=22/129 in Psychology, Multidisciplinary (Q1)]

*2020-present	Experimental Gerontology [IF 2018= 3.38, R 2018= Geriatrics & Gerontology: X/53 (Q1); Gerontology: X/36 (Q1)]

Years	Thesis Reviewer (Outside of the department of Nursing in UH)
2006	External examiner for the thesis titled: "Examination of the relationship between health literacy level of patients and the quality of preparation for colonoscopy", Bailin Lobov, School of Public Health, University of Haifa.
2007	External examiner for the thesis titled: "Body image differences between physically active and non-active older adults" Ayelet Dagan, Department of Gerontology, University of Haifa.
2008	External examiner for the thesis titled: "Practical and emotional responses of schools of nursing preceptors to students presenting Internet based information", Shai Raz, Department of Nursing, Tel-Aviv University.
2009	External examiner for the thesis titled: "Ageism among nurses in Israel" Max Topaz, Department of Gerontology, University of Haifa.
2011	External examiner for the thesis titled: "Stress and Coping and Body Mass Index among Older Adults", Rann Rutine, Department of Gerontology, University of Haifa.
*2017	External examiner for the thesis titled: "Factors Influencing Uncertainty among Geriatric Rehabilitation Patients and the Effect of the Need of Certainty on the Relationship between Uncertainty and the Rehabilitation Outcomes", Diana Younis, Department of Nursing, Tel Aviv University.
*2018	External examiner for the thesis titled: "The relationship between climate of quality and safety, empowerment and satisfaction of hospitalization from the perspective of the family members and nurses", Nataly Burlakov, Department of Nursing, Tel Aviv University.
Years	Dissertation Reviewer
*2017	External dissertation reviewer titled: "Factors associated with Parkinson's disease: The role of plasma cholesterol and hemoglobin levels as possible markers and statin treatment as a possible predictor. Violeta Rosani, Faculty of Medicine, Tel Aviv University.
*2016-2021	Committee member for the dissertation titled: "Effectiveness of Standard of Care versus its Combination with Reflexology, and Sham Reflexology on Preoperative Anxiety and on Postoperative Morbidity and Quality of Life in Patients Undergoing Laparoscopic Cholecystectomy: A Single Blind Randomized Controlled Trial". Atias

Years	Thesis Reviewer (Outside of the department of Nursing in UH)
	Shmuel, School of Public Health, University of Haifa.
*2022	External examiner for the PhD dissertation proposal titled: "An Exploration Preparation Implementation Sustainment (EPIS) framework study of patient participation in hemodialysis units" Chava Kurtz, Azrieli Faculty of Medicine, Bar-Ilan University.

Years	Reviewing for Fund Agencies
2011–present	The Israeli Science Foundation (ISF)
2013–present	The Israel National Institute for Health Policy Research (IsraelHPR)
2014–present	The Bahat reward, Haifa University Publishing
*2021-22	The Israeli Science Foundation- Health Science committee

## 6. Active Participation in Scholarly Conferences

### A1. International Conferences - Held Abroad

	Years	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
1.	1999	European Research Strategy Conference	Salamanca, Spain	Research Priorities	Discussion
2.	2000	WENR 10 <sup>th</sup> Biennial Conference	Reykjavik, Iceland	Where Education & Quality care Meet?	Poster
3.	2003	Nurses Improving Care for Health System Elders (NICHE): Leadership conference	NYC/ NY, USA	Ways to Improve the Hospitalized Frail Older Adults Care	Discussion
4.	2004	37 <sup>th</sup> Annual Communicating Nursing Research Conference 18 <sup>th</sup> Annual WIN Assembly	Portland, OR, USA	Functional Assessment Tool for Dementia	Presentation

	Years	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
5.	2005	International Stroke Meeting	New Orleans, USA	Living Well With Stroke: Psychosocial – Behavioral Intervention in Post-Stroke Depression (PSD)	Poster
6.	2005	The 58 <sup>th</sup> annual Gerontological Society of America conference	Florida, USA	SOAR: Development and Testing of a New Scale of Older Adults' Routine	Poster
7.	2006	International Nursing Conference on Prevention and Management of Chronic Illness	Bangkok, Thailand	Characteristics of Stroke Survivors & Partners in US and Korean Clinical Trials to Reduce Post-stroke Depression	Poster
8.	2009	19 <sup>th</sup> International Association of Gerontology World Congress	Paris, France	Can Routine Protect Older Adults from Sleep Disturbances?	Poster
9.	2010	The Gerontological Society of America's 63 <sup>rd</sup> Annual Scientific Meeting	New Orleans, USA	Effect of Mobility During Hospitalization on Functional Recovery of Older Adults	Presentation
10.	2011	IPA 15 <sup>th</sup> International Congress	Hague , The Netherlands	Mood Disorder and Cognitive Impairment of Hospitalized Elderly: Predictors of their Functional Decline?	Presentation
11.	2011	The Gerontological Society of America's 64 <sup>th</sup> Annual Scientific Meeting	Boston, USA	In-Hospital Use of Continence Aids and New-Onset Urinary Incontinence in Adults Aged 70 and Older	Presentation

	Years	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
12.	2012	The Gerontological Society of America's 64 <sup>th</sup> Annual Scientific Meeting	San Diego, USA	1) Hospitalization as a Turning Point for Sleep Medication Use in Older Adults	Presentation
				2) Older adults with in-hospital functional decline are more satisfied with nursing care	Poster
13.	2013	20th IAGG World Congress of Gerontology and Geriatrics,	Seoul, Korea	1) Effect of nursing education on students' knowledge, attitudes and preferences to work with older adults: Israeli perspectives.	Presentation
				2) Incontinence-Brief Use in Acute Hospitalized Patients with No Prior Incontinence.	Symposium
14.	2013	The Gerontological Society of America's 65 <sup>th</sup> Annual Scientific Meeting	New Orleans, USA	1) Immigrant Acculturation and Culture of Origin in Emotional Outcomes of Older Patients	Posters
				2) Trait Routinization and Adaptation to Continued-Care Retirement Communities among Older Adults in Israel	
				3) Effect of Functional Trajectories Before and During Hospitalization on Functional Non-Recovery one Month after Discharge	

	Years	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
15.	2014	The Gerontological Society of America's 66 <sup>th</sup> Annual Scientific Meeting	Washington DC, USA	<p>1) Family caregivers' satisfaction with care in advanced dementia: The testing of a conceptual model</p> <p>2) Hospital Associated Functional decline: the role of hospitalization processes beyond individual risk factors</p> <p>3) Pre- and In-Hospital Dynamics in Self Care and Mobility Indices and Short Term Functional Recovery</p> <p>4) Assessing Emotional Intelligence in Older Adults: A Pilot Study</p>	<p>Presentations</p> <p>Poster</p>
16.	2015	IAGG-ER 8th European Congress of Gerontology and Geriatrics, Congress	Dublin, Ireland	<p>1) Acute hospitalization effects on older adults: Lessons learned from HoPE-FoR Study</p> <p>2) The Model of Hospital Associated Functional Decline</p> <p>3) The association between anxiety at time of hospitalization and future falls among older adults</p> <p>4) Impact of functional change before and during hospitalization on functional recovery 1 month post-discharge</p> <p>5) Factors related to in-hospital older adults' mobility</p>	Symposium with 6 Presentations

	Years	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
				6) Readmission Among the Elderly: Do Changes in Functioning During Hospitalization Influence the Readmission Risk?	
17.	2015	International convention of psychological science	Amsterdam, Netherland	The Impact of quality of attachment to informal caregiver and amount of support received on level of anxiety and post-operative pain	Presentation
18.	2015	2015 International Society for Posture and Gate Research World Congress	Seville, Spain	Anxiety symptoms during hospitalization of elderly is associated with increased risk for post-discharge falls	Poster
19.	2015	Home healthcare and hospice information technology conference	Nashville, TN, USA	Using natural language processing to automatically identify wound information in narrative clinical notes: application development and testing	Presentation
20.	2015	The Gerontological Society of America's 67 <sup>h</sup> Annual Scientific Meeting	Orlando, FL, USA	1) Even a Small Change Can Make a Big Difference: the Case of In-Hospital Cognitive Decline and New IADL Dependency 2) Nursing Home Administrator QI Self-Efficacy Scale	Presentations

	Years	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
21.	2015	The 7th World Congress of the World Sleep Federation	Istanbul, Turkey	Relationships between BMI and sleep duration and efficiency among older adults ages 70 and above	Poster
22.	2016	The 23rd Congress of the European Sleep Research Society	Bologna, Italy	Relationships between BMI and sleep duration and efficiency among older adults ages 70 and above	Poster
23.	2017	The International Congress on Neuro Rehabilitation and Neural Repair	Maastricht, Netherland	Rehabilitation starts from admission: The 'WALK FOR' intervention to improve in-hospital mobility among older adults	Poster
24.	2017	21th IAGG World Congress of Gerontology and Geriatrics,	San Francisco, USA	1. Improving hospitalization outcomes: The transition from observation to intervention	Two Presentations
				2. "No One Size Fits All" Developing a Site-Specific In-hospital Mobility Intervention - the Walk FOR	
				3. Barriers and Facilitators Toward In-hospital Patients' Mobility: The Walk-FOR Study	Presentation
				4. Is Sedative-hypnotics Consumption During Hospitalization Associated with Functional Outcomes?	Presentation

	Years	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
				5. The Right Kind of Smart? Emotional Intelligence and Cognitive Impairment in Older Adults	Poster
25.	*2018	ICIC18 – 18 <sup>th</sup> International Conference on Integrated Care	Nederland, Utrecht	Pre- and within hospitalization risk factors for readmission of older adults	Presentation
26.	*2018	24th Nordic Congress of Gerontology	Norway, Oslo	Informal support for independent older adults: Does it help with hospitalization processes of care?	Poster
27.	*2018	The Gerontological Society of America's 68 <sup>th</sup> Annual Scientific Meeting	USA, Boston	1.The relationship between hospital-associated cognitive decline and sedative burden among older adults admitted to internal medicine units.	Presentation
				2. Rehabilitation starts from admission- The "WALK FOR" a study to improve in-hospital mobility among older adults.	Presentation (Symposium)
				3. Depression of hospitalized seniors and informal support: the moderating role of attachment anxiety. 4. Food Intake in Acutely Ill Older Internal Medicine Patients	Poster

	Years	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
				The Relationship between Changes in Sedative Burden and Hospital-Associated Cognitive Decline in Medical Older Patients.	Presentation
28.	*2019	IAGG-ER-2019	Gutenberg, Sweden	<p>1. Who is responsible for the care for hospitalized older adult?</p> <p>2. Informal Support for Older Adults is Negatively Associated with Walking and Eating during Hospitalization</p> <p>3. Influence of cultural backgrounds in shaping amount and kind of informal support provided to older adults during hospitalization by informal caregivers</p>	Presentations (Symposium)
				The Right Kind of Smart: Emotional Intelligence's Relationship to Cognitive Status in Community-Dwelling Older Adults	Poster
				Interpersonal Nursing Care Continuity: Is it Associated with In-Hospital Cognitive Decline?	Poster

	Years	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
29.	*2019	The Gerontological Society of America's 69 <sup>th</sup> Annual Scientific Meeting	USA, Texas	1. Symptom Experiences of Hospitalized Older Adults on Admission and Functional Outcomes 1-month Post-discharge. 2. Long Term Outcomes of the In-hospital Mobility Intervention (WALK FOR) in a Sample of Older Adults 3. In-Hospital Nurse Care Continuity: Does It Matter?	Poster  Presentation of Doc student-Health Sciences Section Person-In-Training Award
30.	*2020	The Power of Data to Build a Healthier Nation. The National Forum of State Nurse Workforce Centers	Virtual conference, USA	Daily Mix of In-Patients at Risk for Pressure Ulcer, Nurse Staffing and Patients' Functioning	Presentation of Doc. student
31.	*2020	The Gerontological Society of America's 70 <sup>th</sup> Annual Scientific Meeting	Virtual conference, USA	1. Attitudes and Intention to Work With Older Adults by USA and Israeli Nursing Students: Measure Adaptation and Testing 2. Associations Between Depressive Symptoms, Appetite and Food Intake Among Hospitalized Older Adults. 3. Nurse Staffing Is Associated with Mobility and Food Intake in Older Hospitalized Patients.	Posters
32.	*2021	Creating Healthy Work Environments 2021	Virtual conference, USA	Relationships Between Organizational and Personal Factors and Hospital Nurses' Resilience During the Early COVID-19 Phases	Presentation

	Years	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
33.	*2021	The Gerontological Society of America's 71 <sup>th</sup> Annual Scientific Meeting	Virtual conference, USA	1. Factors associated with older adults' in-hospital mobility: a comparison between Israel and Denmark 2. Differential Influence of COVID-19 pandemic on Life-Space Mobility of older adults	Presentation  Poster
34	*2022	Sigma's 33rd International Nursing Research Congress (upcoming)	Edinburgh, Scotland	Promoting Age-Friendly Healthcare: Translation and Validation of the Geriatric Institutional Assessment Profile Into Seven Languages	Presentation
35	*2022	Academy of Health Annual Research Meeting (ARM) 2022 (upcoming)	Washington, DC, USA	Understanding Global Pandemic Response Implementation from the Nursing and Midwifery Perspectives	Presentation

## **A2. International Conferences - Held in Israel**

	Years	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
1.	2008	International Nursing Research Conference	Jerusalem, Israel	Emotional Intelligence (EI) of Nursing Applicants to Improve the Prediction of Performance	Presentation
2.	2010	The International Association for Relationship Research	Hertziya, Israel	The Effect of Caregiving for Hospitalized Older Adults	Presentation
3.	*2019	The 7th International Jerusalem Conference on Health Policy	Jerusalem, Israel	Different symptom experiences of hospitalized older adults at time of admission and functional outcomes one-month following discharge: A cluster	Poster

				analysis	
--	--	--	--	----------	--

**A3. Local Conferences**

	Year	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
1.	1994	"The Ruth Ron" Convention	"Sheba" Medical center, Ramat Gan, Israel	My Share in The Establishment of the First AIDS Hospice in Israel	Presentation
3.	1999	11 <sup>th</sup> Israeli National Conference of Nurses	Jerusalem, Israel	Influence of Nursing Students on the Quality of Care Provided by Staff Nurses	Presentation
4.	2009	16 <sup>th</sup> Israeli National Conference of Nurses	Tel Aviv, Israel	1) Functional Decline of Older Adults During Acute Hospitalization. Dose It Happen in Israel? What Can We Do About It? 2) Does trait routinization related to older adult adjustment to Long term Care	Posters
5.	2010	The 8 <sup>th</sup> Annual Israeli Health Policy Conference	Tel Aviv, Israel	Family caregivers' satisfaction with end-of-life care for advanced dementia patients in nursing homes in Israel	Poster
6.	2010	18 <sup>th</sup> Israeli National Conference of Gerontology	Tel Aviv, Israel	The influence of hospital care on functional status of frail older Adults: A Comprehensive Model	Presentation
7.	2010	The Annual Conference of the Nursing Research	Western Galilee Hospital, Naharia, Israel	Functional Decline of older adults during acute hospitalization. What Nursing team can do about it?	Presentation

	Year	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
8.	2010	12 <sup>th</sup> Annual Meeting of the Israeli Sleep Research Society	Assaf Harofe Medical Center, Israel	Routine lifestyle rhythm contributes to sleep quality in community elderly	Presentation
9.	2011	Assembling Health: Challenges in Research and Treatment of Complex Health Conditions	Haifa, University of Haifa, Israel	'Geriatric Syndrome' and Functional Maintenance in Elderly with Multiple Symptoms	Presentation
10.	2012	19 <sup>th</sup> Israeli National Conference of Gerontology	Tel Aviv, Israel	1) Innovations in Gerontology Research.	Invited <b>keynote</b> speaker
				2) The Influence of Hospitalization on Functional Outcomes of Older Adults: Emphasizing the Process of Care. A head of the session together with Dr. Shadmi.	Symposium with 5 Presentations
				3) Nurses' Students' Attitudes toward Older Adults: Comparison between Freshmen Students and Young Nurses	Presentation
11.	2013	18 <sup>th</sup> Israeli National Conference of Nurses	Jerusalem, Israel	Relationship between parental EQ and type I diabetes blood sugar control in kids with type I diabetes	Presentation
12.	2014	2 <sup>ed</sup> conference of The Israeli Society for Quality in Medicine	Tel Aviv, Israel	Re-hospitalization among the elderly: Do changes in functioning during hospitalization affect the risk of re-hospitalization?	Presentation

	Year	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
13.	2014	12 <sup>th</sup> conference of the Israeli Association for Research in Nursing	Galilee, Medical Center, Nazareth	Impact of care-giver support and secure attachment stiles on post-operative pain	Poster
14.	2014	19 <sup>th</sup> Israeli National Conference of Gerontology	Tel Aviv, Israel	Symposium: The Influence of Hospitalization on Functional Outcomes of Older Adults: HOPE-For Study. A head of the session together with Dr. Shadmi.	Five Presentations
15.	2015	The Hope For better hospitalization processes and outcomes for older adults	University of Haifa, Israel	Inclusive model that explains functional decline around hospitalization: It is not just the fault of the disease	<b>Keynote</b>
16.	2016	20 <sup>th</sup> Israeli National Conference of Gerontology	Tel-Aviv, Israel	1) The Effect of Acute Hospitalization on the Older Adult: The HoPE-FOR Mode A head of the session together with Dr. Shadmi. 2) Does the Provider Skill-Mix Affect Functional Outcomes in Older Hospitalized Adults? 3) Personal routine and hospitalization - is it an oxymoron? 4) Development multi-dimensional model of coping and psychological well-being in adults with mild cognitive impairment 5) Actual level of mobility of hospitalized older adults: Pilot study	Five Presentations

	Year	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
17.	2016	Science from the Margins: The Case of Biomedicine	University of Haifa, Israel	"Doing nothing is like a death sentence": Dilemmas for guardians of patients with advanced dementia regarding tube feeding	Presentation
18.	2016	11 <sup>th</sup> Conference of the Institute of Ethics of Israeli Nursing	Tel-Ha-Shomer, Israel	Include or exclude? This is the question: Participation of the elderly with cognitive decline in research	<b>Keynote</b>
19.	2017	12 <sup>th</sup> Israeli Health Policy Conference	Tel-Aviv, Israel	Is the team characteristics and composition related to hospital patients' outcomes?	Poster <b>Best Poster Award</b>
20.	2017	The Annual Meeting for Quality Safety in The Israeli Health Care Setting: Transparency in Health	Tel-Aviv, Israel	The relationship between a 900-steps/day walk and functional decline in the hospitalized older adults	Presentation
21.	2017	The 24th annual conference of the Israeli Society for Quality in Medicine	Tel-Aviv, Israel	1) Development of a theory-based intervention to increase the mobility of hospitalized older adults. 2) Marching for Change: "Walk FOR" - a study to evaluate mobility intervention among hospitalized older adults	Presentations
				3) The effect of the 'Walk FOR' intervention on changing the staff's perceptions and attitudes towards the mobility of the elderly during hospitalization	

	Year	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
				4) The 'right' mix for the hospitalized patient in general medicine wards: Does skill and case mix are related to functional outcomes	
22.	2018	22 <sup>th</sup> Israeli National Conference of Gerontology	Tel-Aviv, Israel	Symposium: Marching for Change: "Walk FoR" - an intervention to increase in-hospital mobility. A head of the session together with Dr. Agmon.	Five Presentations
23.	*2019	The 24th annual conference of the Israeli Society for Quality in Medicine	Tel-Aviv, Israel	1. Fall risk assessment, fear of falling and mobility among acutely ill hospitalized older adults 2. Staff's perceptions of older adults inpatients mobility: effect of the 'Walk FOR' intervention	Poster  Presentations
24.	*2021	Nursing at time of Covid-19 Pandemic: Evidence from Research and Practice	Haifa, Israel	1. The trajectory of experiencing physical and mental symptoms in people who are In isolation with and without verified diagnosis of COVID-19: Longitudinal study. 2. Readiness and needs of nursing teams during the Covid-19 plague.	Presentations
25.	*2022	14 <sup>th</sup> Israeli Health Policy Conference	Tel-Aviv, Israel	Family members alongside the hospitalized elder: Perceptions of family members and the nursing staff regarding the involvement of family members in hospitalization	Poster

**B. Organization of Conferences or Sessions**

	<b>Date</b>	<b>Name of Conference</b>	<b>Place of Conference</b>	<b>Subject of Conference</b>	<b>Role</b>
1.	2007	16 <sup>th</sup> Israeli National Conference of Nurses	Jerusalem	Evidence Based Practice for Health Professions	Organizing steering committee member
2.	2011	'Assembling Health': Challenges in Research and Treatment of Complex Health Conditions	Department of Nursing, University of Haifa, Israel	Assembling Care to Meet Complex Needs	Organizing and scientific committee member + Presentation
3.	2012	19 <sup>th</sup> Israeli National Conference of Gerontology	Tel Aviv, Israel	Symposium - The Influence of hospitalization on functional outcomes of older adults: Emphasizing the process of care.	Symposium organizer 6 Presentations
4.	2013	20 <sup>th</sup> IAGG World Congress of Gerontology and Geriatrics,	Seoul, Korea	Incontinence-Brief Use in Acute Hospitalized Patients with No Prior Incontinence.	Symposium organizer + Presentation
5.	2013	Workshop: Aging and Nursing around the globe	Seoul, Korea	International geriatric Nurses initiative as part of the attempt to establish a nursing chapter under IAGG	Workshop organizer + Presentation
6.	2013	Workshop: Aging and Nursing around the globe	Washington, DC at The GSA 66 <sup>th</sup> Annual Scientific Meeting	International geriatric Nurses initiative as part of the attempt to establish a nursing chapter under IAGG	Workshop organizer + Presentation

	Date	Name of Conference	Place of Conference	Subject of Conference	Role
7.	2014	20 <sup>th</sup> Israeli National Conference of Gerontology	Tel-Aviv, Israel	The Influence of hospitalization on functional outcomes of older adults: HoPE-FOR Study.	Symposium organizer 6 Presentations
8.	2014	20 <sup>th</sup> Israeli National Conference of Gerontology	Tel-Aviv, Israel	Multidisciplinary conference presenting advance research and practices to promote better care for older adults	A member in the steering committee and scientific committee
9.	2014	"He was able to get dressed by himself..." – The Hope For better hospitalization processes & outcomes for older adults	University of Haifa, Israel	Platform for presentation and discussion of research and practice focused on improving care for hospitalized older adults, and better outcomes for this frail target population	Initiator and head of a steering committee and scientific committee
10.	2014	Workshop: Improving care of hospitalized older adults: Where do national and international perspectives meet?	University of Haifa, Israel	Identifying the most burning issues around hospital care processes for older adults and discussing directions for national and international collaboration	Curriculum development and Workshop organizer + Presentation
11.	2015	IAGG-ER 8 <sup>th</sup> European Congress of Gerontology and Geriatrics, Congress,	Dublin, Ireland	Acute hospitalization effects on older adults: Lessons learned from the HoPE-FOR Study	Symposium organizer with 6 Presentations

	<b>Date</b>	<b>Name of Conference</b>	<b>Place of Conference</b>	<b>Subject of Conference</b>	<b>Role</b>
12.	2015	Workshop: Aging and challenges for Nursing around the globe	Washington, DC at The GSA 66 <sup>th</sup> Annual Scientific Meeting	International geriatric Nurses initiative as part of the establishing an international nursing chapter	Workshop organizer + Presentation
13.	2016	21 <sup>th</sup> Israeli National Conference of Gerontology	Tel Aviv, Israel	The HoPE-FOR Study New findings	Symposium organizer with five Presentations
14.	2016	21 <sup>th</sup> Israeli National Conference of Gerontology	Tel Aviv, Israel	Multidisciplinary conference presenting advance research and practices to promote better care for older adults	Organizing and scientific committee member
15.	2016	21 <sup>th</sup> Israeli National Conference of Gerontology	Tel-Aviv, Israel	Acute hospitalization effects on older adults: Lessons learned from HoPE-FOR Study	A member in the steering committee and scientific committee
16.	2017	21 <sup>th</sup> IAGG World Congress of Gerontology and Geriatrics	San Francisco, USA	Improving hospitalization outcomes: The transition from observation to intervention	Symposium organizer with 5 Presentations
17.	2018	22 <sup>th</sup> Israeli National Conference of Gerontology	Tel Aviv, Israel	Marching for Change: "Walk FoR" - an intervention to increase in-hospital mobility	Symposium organizer with five Presentations

	Date	Name of Conference	Place of Conference	Subject of Conference	Role
18.	2018	22 <sup>th</sup> Israeli National Conference of Gerontology	Tel Aviv, Israel	Multidisciplinary conference presenting advance research and practices to promote better care for older adults	Scientific committee member
19.	*2019	IAGG-ER	Gutenberg, Sweden	The Complexities of Informal Caregiving during an Older Adult's Hospitalization	Symposium organizer with five Presentations
20.	*2019	Optimal Aging: ideal versus reality	University of Haifa, Israel	Conference for MA & PhD Nursing students as well as researchers in the field on the most burning topic of Geriatric and gerontology	Initiator and head of a steering committee and scientific committee
21.	*2021	Nursing at time of Covid-19 Pandemic: Evidence from Research and Practice	University of Haifa, Israel		A member in the steering committee and scientific committee

## **7. Invited Lectures**

### **A1. Abroad**

	Year	Name of Forum	Place of Lecture	Subject of Lecture	Role
1.	2010	Ph.D. level course on Theory Development for Doctoral and Post-Doctoral fellows	Seattle, WA	Functional decline during acute hospitalization among frail older adults. Why do we need a	Invited guest lecture

	Year	Name of Forum	Place of Lecture	Subject of Lecture	Role
				theory?	
2.	*2013	Faculty meeting	Sacramento, UCD, USA.	Functional decline of acutely ill hospitalized older adults: trends in current research.	Invited guest lecture
3.	*2013	Post-Doctoral Seminar	Sacramento, UCD, USA.	Leading high quality research with and without grant money	Invited talk
4.	*2016	International Conference on Nursing Science	Singapore	Hospital-Associated Functional Decline: The Role of Hospitalization Processes Beyond Individual Risk Factors	<b>Keynote speaker</b>
5.	*2018	Research Priorities in Caregiving Summit: Advancing Family-Centered Care across the Trajectory of Serious Illness	Sacramento, UCD, USA.	Informal Caregiving for Older Adults at time of Hospitalization	Invited <b>speaker</b>
6.	*2022 (upcoming)	Sigma's 33rd International Nursing Research Congress	Edinburgh, Scotland	Functional and cognitive decline around hospitalization period: not just the disease's fault	<b>Keynote speaker</b>

**A2. In Israel**

	Year	Name of Forum	Place of Lecture	Subject of Lecture	Role
--	------	---------------	------------------	--------------------	------

	Year	Name of Forum	Place of Lecture	Subject of Lecture	Role
1.	2008	The training program for fertility nurses	Tel-Aviv	Science as a progress tool. Basic tools for conducting research.	Invited lecture
2.	2010	The annual conference of the Israeli association of nursing research	Tel-Aviv University, Suraski Medical center, Tel-Aviv	Concept analysis in Nursing research	Invited <b>Keynote speaker</b>
3.	2010	Graduation conference for MA students and faculties	School of Nursing, Ben-Gurion University, Be'er Sheva	Concept analysis in Nursing research	Invited guest lecture
4.	2012	19 <sup>th</sup> Israeli National Conference of Gerontology	Tel-Aviv	Innovations in Gero-Nursing Research.	Invited <b>keynote speaker</b>
5.	2012	The Annual Conference of the Nursing Research	Bnai-Zion Medical Center, Haifa	Functional outcomes of hospitalized older adults, how does it relate to basic nursing care?	Invited guest lecture
6.	2014	International conference: Aspects of treatment for elderly cancer patients	Rambam Healthcare Campus, Haifa	Hospitalization-associated functional decline: "He was able to get dressed by himself..."	Invited guest lecture
7.	2014	Social work creates dialogue: initiatives in the areas of health, rehabilitation and aging	Fliman, Rehabilitation center, Haifa	Hospitalization-associated functional decline: "He was able to get dressed by himself..."	Invited guest lecture

	Year	Name of Forum	Place of Lecture	Subject of Lecture	Role
8.	2015	Health and wellness lecture series	A social club for retirees, Haifa	How to survive Hospitalization.	Invited guest lecture
9.	2016	11th Conference of the Institute of Ethics of Israeli Nursing	Tel-Ha-Shomer, Tel-Aviv.	Include or exclude? This is the question: Participation of the elderly with cognitive decline in research	Invited <b>keynote speaker</b>
10.	2016	Clalit Health Services, Head Nurses of Hospital centers	Carmel, Medical Center, Haifa.	WALK for Functional Outcomes and Recovery	Invited speaker
11.	2016	Faculty and MA students research conference	Haifa, Gordon College of Education, Haifa, Israel.	Publish or Perish: How to success in academic writing	Invited speaker
12.	2017	MA thesis forum	Haifa, Gordon College of Education, Haifa, Israel.	Data managing using EXCEL and SPSS	Invited guest lecture
13.	2017	International Nursing Day Conference	The Association of Israelis of Central European Origin (AICEO), Haifa, Israel.	Hospitalization effect on older adult: hospital LTC transitions	Invited <b>keynote speaker</b>
14.	2017	Safety of clinical training	The Engel Center for Health Education - Galil Medical Center, Nahariya	Delirium or the adventures of an old man in the hospital	Invited <b>keynote speaker</b>

	Year	Name of Forum	Place of Lecture	Subject of Lecture	Role
15.	*2018	Stirring committee for the update of quality of care policy	Ministry of Health	Functions of the older adults during hospitalization: scope of the problem, implications and ways of improvement	Invited guest lecture
16.	*2019	MD student geriatric and gerontology course	School of Medicine, Technion	Older adults functioning surrounding hospitalization period: state of the research, implications and ways to improve	Invited guest lecture
17.	*2019	Journal club: faculty and Doctoral students forum	Aging Institute, Department of Gerontology	The hospitalized old adult: alone or with his family?	Invited guest lecture
18.	*2019	Graduation conference for MA students and faculties	School of Nursing, Ben-Gurion University, Be'er Sheva	Functional decline during hospitalization, it is not only the fault of the disease	Invited guest lecture
19.	*2020	Seminar for COVID-19 training instructors in geriatric care institutions	Ministry of Health, Shiba Medical center	Immunosenescence	Invited guest lecture
20.	*2020	Guided care, Clalit services	Online lecture	Continence care for incontinent patients	Invited guest lecture

## 8. Colloquium Talks

	Year	Name of Forum	Place of Lecture	Presentation/Comments
1.	2005	Colloquium of	Seattle, WA, USA.	Instrument development &

		Doctoral and Post-Doctoral fellows		testing: the things I learned.
2.	2005	Faculty meeting	Haifa, SON, Israel.	Functional decline of acutely ill hospitalized older adults: Can the concept of routine be relevant?
3.	2016	Faculty meeting	Haifa, SON, Israel.	Personal routine and hospitalization- is it an oxymoron?
4.	2016	Physician Journal Club	Afula, Emek Medical Center, Israel.	WALK for Functional Outcomes and Recovery

## 9. Research Grants

### a. Grants Awarded

#### A1. External Sources

Role in Research	Other Researchers	Title	Funded by C=Competitive Funds	Amount	Years	Publications
PI		A sole grantee of the grant funding doctoral research in Gerontology for 2004	The De-Tornay Center for healthy aging research grant	8000\$	2004	D2, D6, D7
PI	Dr. E. Shadmi, PI. Dr. G. Sinoff, CI. Dr. N. Gur-Yaish, CI.	The Influence of Acute Hospitalization on the Functional Status of Frail Older Adults	Israeli Sciences Foundation (ISF) (C)	179,000 NIS	2008-2010	D10, D11, D12, D13, D14, D16

Role in Research	Other Researchers	Title	Funded by C=Competitive Funds	Amount	Years	Publications
PI	Dr. G. Sinoff, PI. Dr. E. Shadmi, CI. Dr. N. Gur-Yaish, CI.	Influence of Quality and Continuity of Care on Hospitalized Older Adults' Outcomes	Clalit Health Services	45,000 NIS	2010-2012	D24, D25, D26, D27, D29, D30, D33, D35, D40, D41
PI	Dr. E. Shadmi, PI. S. Haddid, CI.	Disparities in nurses' work-force availability: the case of internal and external migration in Northern Israel	The Israel National Institute for Health Policy and Health Services Research (C)	83,000 NIS	2011-2013

*PI	Dr. M. Agmon; Dr. N. Gur-Yaish; Dr. O. Zaslavsky (CI)	Determining the major causes limiting in-hospital mobility in older adults	NIH Aging Systems and Geriatrics Study Section (R21) (C)	300.000\$ <sup>£</sup>	2014

<sup>£</sup>Submission supported by FreeMind Group through the research authority

## 10. Scholarships, Awards and Prizes

### A. Scholarships

Years		Sum
1999	European Commission, training and mobility of researchers program, funding to attend and participate in the Euro conference 'Building a European Strategy for Nursing Research' Salamanca, Spain.	\$1,200
2001	Gerberding Endowed for excellence in academic achievements of doctoral students from University of Washington, School of Nursing, Seattle, USA.	\$40,000 for two years
2001	The Rector's scholarship for doctoral students abroad from the department of Social Welfare and Health Studies, University of Haifa.	\$10,000
2001	Cheryl Spenser scholarship - for Nurses in Doctoral studies abroad.	\$100,000 for 4 years
2001	The Fulbright Foundation scholarship for doctoral studies in the USA.	\$30,000 for two years
2003	The Rector's scholarship for doctoral students abroad from the department of Social Welfare and Health Studies, University of Haifa.	\$10,000 for two years
2005	Ministry of Immigration & Absorption fellowship for returning scholars.	NIS 37,000 for two years

### B. Prizes and Rewards

Date	Scholarship	Sum
1997	Award for Distinctive scholarly achievements Tel Aviv University, School of Health professions.	NIS 2,000
1998	Winner of the "Best Employee" Award, 1998. "Sheba" Medical center, Israel.	NIS 1,000
2009	The University of Haifa Research Authority award for young scientists for the receipt of a grant from a competitive foundation (ISF).	NIS 9,000
2018	Ministry of Health recognition Certificate of Appreciation as part of the nurse's day - "nurses at eye level" for unique professional contribution.	Awarded at Israeli Parliament

## **11. Teaching**

### **A. Courses Taught in Recent Years**

Year	Name of Course	Type of Course	Level	Number of Students
2005	The health system in Israel	Lecture	B.A.	100
2006	Health Promotion	Lecture	B.A.	20
2005-present	Fundamentals of Nursing	Introduction course (Lecture)†	B.A.	100-140
2005-2014	Clinical reasoning	Workshop	B.A.	18-30
2006, 2008, 2012	Research Seminar	Seminar	B.A.	16-25
2008-2010	Methodology	Lecture	M.A.	33-40
2009-2012	Chronic Wound care	Lecture	B.A.	100
2013-present	Introduction to clinical Nursing	Lecture Online course (since 2014)	B.A.	120-160
*2013-present	Geriatric and Gerontology	Lecture MOOC course (since 2019)	B.A.	120-300
2013-present	Selected Issues in Geriatric and Gerontology	Lecture	M.A.	30
2014-present	Theories and their Application in Research	Lecture	M.A.	15-20
2015-present	Advanced Quantitative Research Methods	Lecture	Ph.D.	8-12
*2019-present	Academic Writing	Lecture	M.A.	20-30

**B. Supervision of Graduate Students**

Name of Student	Name of Other Mentors	Title of Thesis	Degree	Year of Completion/In Progress	Students Achievements
<b>M.A. Students</b>					
Waheed Kabeya		Influence of trait routinization on older adults' adaptation to long term care	M.A.	2010	Published paper (D23) Thesis supported by the American Jewish Joint Distribution Committee, JDC-ESHEL (NIS 5,000)
Einav Brock	Dr. Liora Ore & Dr. Amir Kugelman	Risk factors for iatrogenesis in 4 neonatal intensive care units in Israel	M.A.	2010	
Tally Lang	Dr. Leehu Zysberg	Relationship between parental EQ and type I diabetes blood sugar control in kids with type I diabetes	M.A.	2012	Published paper (D17) Summa Cum Laude, The Dean of Graduate Studies' Honors
Danny Rosen		The effect of wound cleansing solution type (Normal saline vs. Ringer) on level of pain and healing in patients suffering from chronic vein wounds	M.A.	2013	
Anat Sin-Hershko		Environmental and interpersonal predictors of in-hospital mobility among acutely ill older adults	M.A.	2013	Published paper (D27)

Name of Student	Name of Other Mentors	Title of Thesis	Degree	Year of Completion/In Progress	Students Achievements
Hedva Levine	Dr. Nurit Gur-Yaish	Effects of informal caregiving and secure attachment on level of pain in older adults after major surgery	M.A.	2013 Summa Cum Laude	Published paper (D20, D34)
Einav Tal	Dr. Leehu Zysberg	Emotional intelligence and eating disorders	M.A.	2013 Summa Cum Laude	
Galia Shefer	Dr. Tamar Shochat	Relationship between amount and quality of sleep and nutritional status of frail older adults	M.A.	2013	Published paper (D36)
Miriam Ziv	Dr. Maayn Agmon & Dr. Efrat Gil	Factors affecting surrogates of dementia patient's decisions regarding their end of life treatments	M.A.	2017	Published paper (D39)
Jane Golland		Effect of On-Line Hemodiafiltration with High Convection Volume on Health Related Quality of Life of Dialysis Patients.	M.A.	2017	
Eissam Aziza	Dr. Maayn Agmon	The effect of "WALK FOR" intervention on staff's knowledge, behavior and attitudes toward the mobility of hospitalized older adults	M.A.	2017	
Yaniv Cohen	Dr. Maayn Agmon & Dr. Efrat Gil	The effect of intervention improving patients' in-hospital mobility on one-month post-discharge functional outcomes	M.A.	2017 Summa Cum Laude	Published paper (D36)

Name of Student	Name of Other Mentors	Title of Thesis	Degree	Year of Completion/In Progress	Students Achievements
*Yulia Kribonas	Dr. Maayn Agmon	The effect of intervention improving patients' in-hospital mobility on anxiety and fear of falling at time of hospitalization	M.A.	2018	
*Widad Fala	Dr. Maayn Agmon	The effect of intervention improving patients' in-hospital mobility on cognitive statues decline during hospitalization	M.A.	2018	
*Anat Liberty	Dr. Maayn Agmon	Finding the right assessment to account for illness acuity of hospitalized older adults in general hospital units	M.A.	2019	
*Yehudid Hayatt	Dr. Maayn Agmon	The effect of intervention improving patients' in-hospital mobility on hospitalization functional outcomes at time of discharge	M.A.	2019	Published paper (D46)
*Yuliana Smichenko		Relationship between in-hospital medication change and fluctuation of Cognitive Status	M.A.	2018	Published paper (D50)
*Dalit Zaguri-Greener	Dr. Maayn Agmon	Relationship of risk of falling assessment and fear of falling to level of in-hospital mobility of older adults	M.A.	2019	

Name of Student	Name of Other Mentors	Title of Thesis	Degree	Year of Completion/In Progress	Students Achievements
*Ehab matta	Dr. Roy Traister	The relationship between sitting time and development of pressure sores in frail older adults	M.A.	2020	
*Galia Fisher	Prof. Shadmi	Identifying Multimorbid older oncology patients in need of palliative care (MOP-NePC study)	M.A.	2021	
*Antwan Obead		The discrepancy in reports on the frequency and intensity of symptoms between nurses and patients.	M.A.		
*Rula Fakhouri		Nursing staff awareness to urinary continence problem on inpatient hospitalized older adults	M.A.		
*Malek Masarwa	Dr. Nurit Gur-Yaish	The moderation effect of the relationship quality between the caregiver and the care recipient of informal help on depression in hospitalized older adults	M.A.		
*Amos Rogozinski		The Association between Depressive Symptoms, Appetite and Food Intake among hospitalized older adults	M.A.	2020	

Name of Student	Name of Other Mentors	Title of Thesis	Degree	Year of Completion/In Progress	Students Achievements
Yochy Spielberg	Dr. Nurit Gur-Yaish	The moderating effect of informal caregiver's support on the relationship between severity of condition and outcomes of hospitalized older adults.	M.A.		
Sarah Fraiman	Prof. Shadmi	Inter-professional (nurse-physician) cooperation and collaboration	M.A.		
Vitaliy Dolgunov		Comparison of differences in the level of mobility among nephrology patients hospitalized in nephrology unit vs internal medical patients	MA		
<b>Ph.D. Students</b>					
Nienke Boogaard	Professor Perla Werner & Dr. Jenny Van Der Steen	End-of-life with dementia in Israel: Explaining a model of family caregivers satisfaction	Ph.D.	2014	Published paper (D38), Doctoral study was supported by a scholarship from the Israel National Institute for Health Services Research (NIS 40,000) & UoH Graduate school
Salam Hadid	Professor Yoram BarTal	The effect of self-efficacy and motivation on task performance in nursing	Ph.D.	2013	

Name of Student	Name of Other Mentors	Title of Thesis	Degree	Year of Completion/In Progress	Students Achievements
*Hedva Levine	Dr. Maayn Agmon & Dr. Gur-Yaish	Modified Theory of Planned Behavior applicability to the mobility of hospitalized older adults	Ph.D.	2020	
*Odelia Saad	Dr. Leehu Zysberg	Development and testing multi-dimensional model of coping and psychological well-being in adults with mild cognitive impairment: The role of emotional intelligence	Ph.D.	2019	Published paper (D45) submitted paper (J3), Received scholarship from the Research and Study of Aging (University of Haifa)
*Ella Koren	Dr. Leehu Zysberg	Development and validation of a cultural-cognitive model Predicting academic achievement in nursing students.	Ph.D. (PhC)	In progress	
*Orly Tonkikh	Dr. Efrat Shadmi	Improving hospitalization outcomes of older adults by adjustment of nursing resources to inpatients' intensity: hospitalization-level approach.	Ph.D. (PhC)	2021	Published paper (D48, D52), Submitted paper (J1), Scholarship from the Graduate Student Authority, matched by grant #R782013 NIHP

Name of Student	Name of Other Mentors	Title of Thesis	Degree	Year of Completion/In Progress	Students Achievements
*Ksenya Shulyaev, PhD		The Role of Family Caregivers in Supporting the Routine Care of Hospitalized Older Adults	Post-Doctoral student	2021	Scholarship from ISF # 1216/17 Grunt and Ministry of Immigrant & Absorption
*Yuliana Smichenko	Prof. Shohat	Interactions between changes sedative-burden, symptom' burden, and its management and sleep indexes among hospitalized older adults	PhD (PhC)		Scholarship from the Graduate Student Authority, matched by grant ISF No.1216/17
*Amos Rogozinski		Age-Friendly Health Care System as Part of Community Services: An Assessment of applicability and validity for the model at the Primary Health Care level	PhD		Scholarship from the Graduate Student Authority, matched by grant NIHP # 2018/272/A
*Dalit Zaguri-Greener	Prof. Ruth Palan Lopez	The Impact of "Intensive Individualized Comfort Care" on Nursing Home Residents with Advanced Dementia, their Family Members, and the Nursing Home Staff	PhD		Scholarship from the Graduate Student Authority
