

## **CURRICULUM VITAE**

**NAME:** Kathryn E. Hall, DNP, RNCS, ANP-BC, NE-BC

**EDUCATION:** Doctor of Nursing Practice, January 2023  
Specialization: Executive Track  
MGH Institute of Health Professions  
Boston, MA. 02129

Master of Science, June 1988  
Specialization: Adult Medical-Surgical Ambulatory Nursing  
Boston College, Graduate School of Arts & Sciences  
Chestnut Hill, MA 02167

Bachelor of Science, December 1984  
Boston College, School of Nursing  
Chestnut Hill, MA 02167

**LICENSURE:** Massachusetts Registered Nurse License Number 170640

**ANCC BOARD  
CERTIFICATION:** Adult Nurse Practitioner  
Nurse Executive

### **PROFESSIONAL EXPERIENCE:**

***Massachusetts General Hospital***  
January 2008 - Present

#### ***Nurse Director - Translational and Clinical Research Centers***

A Member of the Harvard Catalyst Clinical Translational Science Center (HCCRC)  
White 12 and 13 clinical units, 24 bed inpatient/outpatient clinical research center.

Charlestown Navy Yard outpatient clinical research unit and Biomedical Imaging Center (closed 2018)

Management of clinical staff including nursing (RN, NP, CNS), unit-based supervisors, project managers, and support staff.

Budgetary responsibility for multiple cost centers and funding sources including Patient Care Services, NIH, and sundry. Extensive research portfolio including adult and pediatric populations across all specialty areas. Over 200 open/active clinical trials. On-site laboratory processing, nutrition facilities, DEXA, and Metabolic Cart.

Appointed Lead Nurse Director, Harvard Catalyst Clinical Translational Science Center (HCCRC), April 2012.

Responsible for communication and integration of nursing services across the five Harvard Catalyst sites (MGH, BWH, BIDMC, BCH, and MIT)

Development of Standard Operating Procedures (SOP) and practice guidelines. Identification, sharing, and implementation of best practices across institutions. Chair of weekly Nurse Director meetings. Nurse Director representative for Harvard Catalyst Executive Committee.

Primary author nursing section 2013 NIH 5-year grant renewal and nurse reviewer 2018 NIH 5-year grant renewal.

Responsible for communication across Clinical Translational Science Center (CTSC) network and collaboration with peers regarding common practice themes as they related to Clinical Research Nursing (CRN). Development of Nurse Sensitive Indicators at MGH specific to clinical research nursing.

Developed, in collaboration with HCCRC Nurse Directors, a workload measurement tool, piloted at MGH, to define and measure the work of clinical research staff including nursing, nutrition and laboratory, to drive allocation of resources and budget targets across five sites. Consultant for development and implementation of Harvard Catalyst research scheduling system across HCCRC sites.

Preceptor, MGH Administrative Fellow 2018

***Interim Nurse Director - Bigelow 13, Respiratory Acute Care Unit and Bigelow 9, General Medicine/ Special Pathogens Unit***

January 2023 - May 2023 and October 2023 - November 2023

12 bed RACU and 18 bed General Medicine / Special Pathogens unit.

Management of clinical (RN, NP/PA, CNS) and support staff. Ensure delivery of safe patient care for patients with critical and complex medical needs in collaboration with other disciplines.

Budgetary responsibilities for Patient Care Services clinical and support staff, including non-staff costs.

***Interim Nurse Director - Ellison 16, General Medicine***

October 2009- November 2011

36 bed General Medical Unit, largest medical unit at MGH

Management of nursing and support staff. Ensure delivery of safe patient care for patients with complex medical needs in collaboration with other disciplines. Budgetary responsibilities for Patient Care Services clinical and support staff including non-staff costs.

IHI-STAAR Pilot Unit. Reduced hospital readmissions by 8% during two-year pilot. Implemented Discharge RN role, modeled after Project Red, to facilitate provider communication and enhance patient teaching. Patients were identified based on pre-determined criteria (number of medications and diagnoses).

Initiated Pharmacy post-discharge calls. Member of Medical Operations Oversight Committee. Charged with decreasing Length of Stay (LOS), and increasing pre-noon discharges, while enhancing patient experience and quality of care in Medical Service. Ellison 16 was the only medical unit to meet all goals.

Co-Director (Nurse Lead) of Primary Care Workgroup - focus on LOS, discharge rate, and patient experience. Designed and implemented primary care practice rounding system, involving Academic Hospitalist Program, highlights included morning and afternoon huddles with resource and discharge RNs and medical team to review potential discharges within 24-48 hours.

***Atrius Health - Harvard Vanguard Medical Associates***

October 1988 – May 2023

***Director of Nursing Clinical Program Development and Director of Nursing Education***

August 2005 - January 2008

Oversight, in collaboration with Director of Medical Education, education programs across Atrius Health. Accreditations with Massachusetts Medical Society and Massachusetts Association of Registered Nurses.

Coordination of Graduate Student/NP placements throughout HVMA practices.

***Specialty Nurse Leader Central Internal Medicine.***

August 2005 - January 2008

Oversight of Internal Medicine and Urgent Care Associate Nurse Leaders (ANL). Staffing and budgetary responsibilities for all Atrius Health Internal Medicine and Adult Urgent Care Practice locations in collaboration with site ANL team.

Development of clinical guidelines for Internal Medicine NP/PA and RNs.

Coordination of Internal Medicine Central Orientation for new Advanced Practice Clinicians and MDs. Direct reporting to the Central Internal Medicine Physician Director.

Nurse Leader/ Liaison for organization wide care redesign - Patient Centered Care Initiative.

Resource for workflows, clinical guidelines, and practice standards for Advanced Practice Clinicians, RNs, and LPNs across primary care practices. Integration and leveraging of epic into daily workflows to enhance efficiencies

*Senior Clinical Advisor for Nursing.*

December 2000 - August 2005

Senior nurse leader role in organization

Liaison to CMO/CEO/COO on all matters relating to nursing. Responsibilities included, but not limited to, establishment of Collaborative Practice Agreements, Clinical Practice Guidelines, Prescriptive Authority, scope of practice, and risk management. Direct reporting to CMO.

Oversight of Senior Nursing Leadership Management team. Lead the redesign of the nursing leadership structure throughout the organization to provide clarity and efficiency in model, including all specialty practices. Areas of focus included: scope of responsibility, reporting structure, and autonomy of practice.

*Associate Chief of Medicine/Nurse Leader - Wellesley Internal Medicine Practice.*

July 2000 - August 2005

Responsible for management and evaluation of non-MD clinical staff (RN/NP/PA/LPN).

Performance reviews, orientation, and staff development. Staffing and budgetary responsibilities.

Member of Internal Medicine Management team.

*Nurse Practitioner, Wellesley Internal Medicine Practice*

June 1992 - January 2008

Team of 3 MDs, 2 NPs, 1 RN and 5 support staff. Responsible for patient evaluation, diagnosis, and treatment of adult panel. Prescriptive authority obtained January 1994.

*Clinical Manager Adult Urgent Care Department*

March 1994 - June 2004

Responsible for management and evaluation of clinical staff. Regional Wellesley-West Roxbury department. Responsible for communication between departments, staffing schedules, budget, staff development, and orientation. Oversight of the department processes to ensure high level of staff and patient satisfaction.

*Nurse Practitioner, Wellesley Adult Urgent Care Department*

October 1988 - January 2001 and January 2018 - present

Responsible for patient evaluation, diagnosis, and treatment for same day urgent care visits in adult patient population. Collaboration with on-call physician. Resource in area of Neurology.

Urgent Care Department Diamond Award, 1991.

*Nurse Practitioner, West Roxbury Practice. Urgent Care.*

June 1991- November 1992

Responsible for evaluation, diagnosis and treatment of patients in Urgent Care setting.

Provided coverage for Internal Medicine providers as needed.

*Nurse Practitioner, Neurology Department*

June 1996 - January 2018

Responsible for patient evaluation, diagnosis, and treatment of adult neurology patients.

*Associate Chief of Neurology*

2002-2008

Worked in collaboration with Neurology Chief to meet organizational budget and visit/RVU targets, patient access, and satisfaction metrics. Management of non-MD clinical staff.

Director, HVMA Multiple Sclerosis Program 1998-2008. Multi-specialty program designed to coordinate care for MS patient population. Coordinated patient visits, specialty referrals and follow-up. Facilitator of monthly support group. Treatment and management of patients with Multiple Sclerosis. Resource to primary care clinicians in the management of this patient population.

Co-director, HVMA Headache Program 1999-2008. Multi-specialty program for management and treatment of patients with complex migraine, tension, and cluster type headaches. Utilizing pharmacological, behavioral, and complementary therapeutic treatment modalities. Resource for primary care clinicians in management of this patient population. Initiated and implemented program focused on non-narcotic treatment options for headache management across 14 practice sites. Yearly CME Programs on diagnosis and treatment of headaches, use of preventive medicines, and preferred triptans.

### ***MGH Institute of Health Professions***

Charlestown, Massachusetts. September 2009- Present

School of Nursing part time faculty, September 2015-present

Assistant Dean, Master's Programs, Director Advanced Practice Programs, January 2024-present

Assistant Professor, Graduate Nursing Program

Track Coordinator, Adult Gerontology Primary Care / Dual Women's Health Nurse Practitioner Program 2014-2024

Term Lecturer. Graduate Nursing Program, September 2008-September 2015

Clinical Preceptor for AGPC NP students

Courses:

Advanced Health Assessment and Diagnostic Reasoning (fall semesters since 2008)

Diagnostics (spring 2011, spring 2019)

Primary Care Theory I – AGPC/Dual NP (spring 2013)

Primary Care Theory III – AGPC/ Dual NP (spring semesters since 2014)

Clinical Seminar, Course Coordinator - AGPC/Dual NP (2019-present)

Health Assessment – ABSN/DEN (summer 2014)

Scholarly Project Reader for graduate nurse practitioner students (2014- present)

Guest lecturer for neurology related content across advanced practice curriculum

### ***Boston College School of Nursing***

Chestnut Hill, Massachusetts. September 2003- 2014

Part Time Clinical Instructor, Graduate Nursing Program

Clinical Preceptor for Adult and Family NP students

Clinical Instructor for Adult Health and Synthesis for BSN students.

Courses:

Advanced Health Assessment, Pharmacology and Advanced Diagnosis and Treatment

### ***Private Neurology Practice***

Newton, Massachusetts

October 1988 to October 1992

Nurse Practitioner/Clinical Nurse Specialist with a Neuroscience specialty. General Neuromedical practice with a broad range of patient diagnoses. Responsible for patient management, establishment of treatment plan, and initiation of appropriate outside referrals with physician collaboration. Provided counseling services, education, and support groups. Specialty areas: seizure disorders, chronic pain syndromes, Multiple Sclerosis and Parkinson's Disease. Joint neurology testing laboratory with EMG/NSS, EEG, telemetry, carotid ultrasounds, and PSG/MSLT's.

***Beth Israel Hospital***

Boston, Massachusetts

January 1985 to October 1988

Primary Nurse on a 30 bed Adult Medical Surgical Unit with a specialty in Neurology and Neurosurgery. Consistently maintained a caseload of 1-2 primary patients and 3-4 associate patients. Responsible for assessment of primary patients, establishment and implementation of Nursing Care Plans and evaluation of effectiveness. Participation in Peer review. Special interest in patient and family teaching. Resource for staff on the care of epilepsy patients and neurological patients with complex psychiatric needs.

**PROFESSIONAL AND COMMUNITY SERVICE:**

Lead Nurse Director, Harvard Catalyst CTSC, Executive Committee member, 2012- present

Member, Mass General Brigham IRB, 2009- present

Nurse Planner, MGB IRB, 2020-present

Co-Chair, MGH Advanced Practice Providers in Research Committee 2023-present

Member, MGH IHP SON Appeals Committee 2016-2024

Chair elect, MGH IHP SON Appeals Committee 2021-2022

Chair, MGH IHP SON Appeals Committee 2022-2024

Member, MGH IHP SON Deans Council 2024-present

Honorary Member, MGH IHP SON Policy Committee 2024-present

Honorary Member, MGH IHP SON Admissions Committee 2024-present

Member, MGH IHP Academic Operations Council 2024-present

Member, MGH IHP SON Deans Search Committee 2024-present

Member, MGH IHP SON Assessment Equity Task Force 2024

Member, MGH COVID Scientific Review Committee, 2019-2022

Member, COVID Research/Infectious Disease Planning Committee, 2019-2022

Member, Massachusetts General Hospital for Children Quality and Safety Committee, 2012-present

Member, MGH Executive Committee on Research (ECOR), 2016- present

Chair, IACRN Research Committee 2016-2018

Chair Elect, IACRN Research Committee 2015-2016

Chair, IACRN Conference Planning Committee 2015

Co-Chair IACRN Conference Planning Committee 2014

Member IACRN Research Committee, Chair of Metrics subcommittee, 2015

Member ONL Conference Planning Committee 2018- present

Member ONL Research Committee, 2014- 2017

Member, Partners Research Advisory Council, 2014-2018

Preceptor, MGH Administrative Fellow 2018

Member, MGH Translational Medicine Business Plan Development Subcommittee 2013- 2015

Member, Partners eCare Research Council, 2013- 2019

Member, Subject Recruitment and Clinical/Research Interface Workgroup, 2013- 2017

Member, Massachusetts General Hospital Nursing Leadership Academy 2009-2015

Co-Coordinator, Munn Center for Nursing Research Leadership Team 2008- 2015

Member, MGH Department of Medicine Medical Operations Oversight Committee. 2010-2012

Co-Coordinator, Medical Visiting Nursing Scholars Annual Program 2010 and 2011

Member, Atrius Health Pharmacy and Therapeutics Committee, Neurology, 2000-2008

Member, HVMA Quality Assurance Committee, 2001-2008

Nurse Leader Patient Center Care Initiative, HVMA 2004-2007

Clinical Preceptor Nurse Practitioner Students; Boston College, Northeastern University, Simmons College, and MGH Institute of Health Professions, 1991 – present

Expert speaker/consultant. Headache Management Diagnosis and Treatment.

Expert speaker/consultant. Multiple Sclerosis Diagnosis and Treatment

Member, HVMA Care Model Task Force Committee, 2002 - 2005

Coordinator, Multiple Sclerosis Education and Support Group, Harvard Vanguard Medical Associates, May 1993 - January 2008

Member, HVMA DPH Task Force, 2001 - 2005

Coordinator, HVMA Graduate NP Student Clinical Placements. 2003-2008

Elected to HVMA, Wellesley Practice, Board of Directors. Vice Chair, 1998 (1-year term), and 1999 (3-year term)

Chair, Governance Committee, Wellesley Practice Board of Directors 1998-2000

Personal Health Improvement Program Leader, Harvard Vanguard Medical Associates, September 1996-2005

Alumni Admissions Counselor, Boston College Undergraduate Admissions Office, December 1984-1990

Health Care Consultant, Medfield Children's Center, Medfield, MA, 1996-2001

Trauma Review Committee, Harvard Community Health Plan, Wellesley Center, 1994

Appointed to Seminars in Nursing Committee, Beth Israel Hospital, September 1985- September 1987

Newsletter Committee, Sigma Theta Tau, Alpha Chi Chapter, August 1985-June 1990

Program and Education Committee, Massachusetts Nursing Association, District V, November 1985-June 1987

Elected to Nominating Committee, Sigma Theta Tau, Alpha Chi Chapter, May 1986-May 1987

Elected to Continuing Education Committee, Boston College Graduate School of Nursing, September 1986-May 1987 and September 1987-May 1988

Clinical Preceptor, Beth Israel Hospital, January 1986-September 1988

Documentation Task Force, Beth Israel Hospital, February 1986-September 1988

Screening Committee Volunteer, Colorectal Cancer Screening Program, Sponsored by Beth Israel Hospital and WBZ-TV 4, 1986
