

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for a review in a process called verification. The law states that before awarding Federal Student Aid, we may ask you to confirm the information you reported on the FAFSA. To verify that you provided correct information to the financial aid administrator will compare your FAFSA with the information on this worksheet and other required documents. If there are differences, your FAFSA information may need to be corrected and your financial aid would be adjusted accordingly. Be sure to check your IHP email regularly as emails are often sent when additional information is required after the review. You must complete and sign this worksheet, attach any required documents and email the forms to financialaid@mghihp.edu. Incomplete forms or forms without all required documents attached WILL NOT BE ACCEPTED. No aid can be disbursed until the verification process is complete.
