CIPSI - Center for Interprofessional Studies and Innovation	Fee	Fee Description
M.S. in Health Prof. Ed Portfolio Fee	\$1,300	This one-time fee supports the cost of reviewing and processing requests for course waivers based on work completed through the Harvard Macy Institute and/or the Center for Medical Simulation.
M.S. in Health Prof. Ed Teaching Practicum Fee	\$400	This fee is assessed to students when registered for HE-714 (Teaching Practicum) to provide support for expenses associated with coordinating teaching placements and assigning personal mentors.
SHRS - Doctor of Physical Therapy Program		
Anatomy Fee	\$500	This fee is assessed to all entry-level Doctor of Physical Therapy students in their first term of enrollment to provide support for costs associated with classroom teaching aids specific to anatomy.
SHRS - Doctor of Occupational Therapy Program		
Anatomy Fee	\$250	This fee is assessed to all entry-level Doctor of Occupational Therapy students in their first term of enrollment to provide support for costs associated with classroom teaching aids specific to anatomy.
SHRS - Physician Assistant Studies Program		
Anatomy Fee	\$400	This fee is assessed to all Physician Assistant Studies students in their first term of enrollment to provide support for costs associated with classroom teaching aids specific to anatomy.
Board Exam Prep Fee	\$300	This fee is assessed to all Physician Assistant Studies Students in the first term of the second year of enrollment and applies to a comprehensive package to prepare students for the PA licensing examination.
PA Student Equipment Package	\$740	This fee is assessed to all Physician Assistant Studies students in their first term of enrollment to cover equipment necessary for patient care courses that will also be used during the second year of clerkships.
SON - School of Nursing Programs		
NCLEX Exam Prep Fee (ABSN and DEN)	\$640	This fee is assessed to all ABSN and DEN students in their first term of enrollment and covers costs of a comprehensive package to prepare students for the NCLEX-RN licensing examination.
DNP Portfolio Fee	\$1,300	This one-time fee must be submitted when submitting a portfolio for the Doctor of Nursing Practice program. The fee provides support for the cost of processing the portfolio.
DNP Program Fee	\$500	This fee is assessed each term of enrollment to all students in the DNP Program to support costs of individualized services and special events and offerings as provided by the School of Nursing.
Clinical Fee		
All Programs with clinical placements	\$900	This fee is assessed in the first and last terms of enrollment for ABSN students and annually in the Fall term to to all other programs with matriculated students in academic programs that require clinical education placements. The fee provides support for expenses associated with clinical placements.

**Other Fees and Charges
2018-2019 Academic Year**

(Fees are non-refundable after week one of classes unless otherwise noted)

Other Fees		
Continuing Enrollment Fee	\$1,300	All matriculated students are required to be enrolled during each term prior to graduation. This fee is assessed to those students who extend their enrollment by registering for a continuation course in order to complete a terminal project or clinical experience.
Application Fee	\$100	This fee must be submitted with the application for admission. The fee supports the cost of processing the application for admission. <i>This fee is non-refundable.</i>
Matriculation Fee	\$600	This one-time fee is assessed to all matriculated students at the point of each new matriculation into a degree or certificate program. The fee provides support for administrative, orientation and graduation expenses associated with the student's matriculation. <i>This fee is non-refundable.</i>
Other Charges		
Deposit	\$500	This deposit must be submitted to secure the applicant's place in their program. Deposit amount will be credited to the applicant's tuition and fee account in their first term of enrollment. <i>This fee is non-refundable.</i>
Late Payment Fee I	\$200	This charge will be added to all unsettled balances on the day following the payment due date. Settled balances include full payment and, or, documentation for account clearance. Documentation for account clearance and balance justification includes the following: Tuition Management Systems enrollment confirmation, National Health Service Corps Scholarship letter, or other awarded financial aid. Awarded financial aid must be greater than the balance due to avoid the late payment fee. This supporting documentation must be received by the Financial Aid or the Student Accounts Office prior to the payment due date. <i>This fee is non-refundable.</i>
Late Payment Fee II	\$200	This charge is assessed to any student with an unsettled account balance on the 13th class day following the start of the term, regardless of when a student's actual class starts. Settled balances include full payment and, or, documentation for account clearance. Documentation for account clearance and balance justification includes the following: submission of payment to Tuition Management Systems prior to the 13th class day, National Health Service Corps Scholarship letter, or confirmation of awarded financial aid. Financial aid documentation must be greater than the balance due to avoid the late payment fee II. <i>This fee is non-refundable.</i>
Late Registration	\$150	This charge is assessed to any student when a published registration deadline is missed. <i>This fee is non-refundable.</i>
Transcript Fee (per transcript)	\$10	This charge is assessed to any student requesting an "official" copy of an academic transcript issued by the MGH Institute. Official transcripts bear the official seal of the Institute as well as the signature of the Registrar. Unofficial transcripts are free of charge, but do not carry the seal of the Institute or the signature of the Registrar, and are not considered official documents of the Institute. <i>This fee is refundable if an request is cancelled for any reason.</i>
