The Doctor of Audiology program at MGH Institute of Health Professions (IHP) is currently seeking candidacy status from the Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA). During the CAA site visit, the Communication Sciences and Disorders Department will host a public meeting wherein stakeholders are welcome to ask questions, offer comments, and express concerns regarding the national accreditation status of IHP’s Doctor of Audiology (AuD) program.

We invite all interested parties (e.g., alumni, students, clinical supervisors, community partners) to participate either through attending the meeting in-person or by formally submitting written comments to the CAA in advance of the meeting.

Per the CAA, questions and comments may be submitted prior to the meeting using the following avenues:
1) US Mail: Accreditation Office at ASHA, 2200 Research Boulevard, #310, Rockville, Maryland 20850
2) Email: accreditation@asha.org
3) Fax: (301)-296-8570

All comments must:
• Relate to a program’s compliance with the current Standards for Accreditation
• Identify the specific program seeking candidacy, initial accreditation, or continued accreditation with the CAA
• All written testimony—including comments faxed or submitted as e-mail attachments—must include the commenter’s name, address and telephone contact information and the commenter’s relationship to the program in order for Accreditation staff to verify the source of the testimony. All comments must be signed.

Comments that do not meet these requirements will not be considered, and the individual or group commenting will be notified.

The standards for national accreditation are available for review at https://caa.asha.org/reporting/standards/
