POSITION DESCRIPTION:

Looking for a research assistant (RA) to help in studies led by Dr. Maninder Kaur (<https://www.mghihp.edu/maninderjit-mandy-kaur-pt-phd>) in the Physical Therapy department. The studies are focused on understanding and examining the motor behaviors of children with developmental disabilities such as autism and down syndrome. The RA will work directly under the supervision of Dr. Kaur and will have several duties such as recruitment of clients, scheduling, analysis and scoring of child's videos, as well as IRB applications. This is a part-time position with variable hours throughout the semester. RA will be paid @15/hour. We are looking for someone with:

- Experience with Microsoft excel and word
- Comfortable making phone calls to prospective parents and organizations
- Experience with scientific writing
- Previous experience working with children (preferred, but not required)
